Fight Erupts At MHS, 9 Hurt

7 Arrested as 50 White,
Negro Students Battle
Before 400 Spectators

A fight erupted between about 50 Negro and white students at Madison high school during the lunch period Wednesday as end of the school year tensions reached a boiling point.

Nine students were injured, none seriously, and seven others were arrested on charges of fighting and disorderly conduct. They were released after questioning, but two are to appear in a magistrate's court. One of them was a girl.

About 400 spectators gathered at the scene, including some adults from out of town and some dropouts, but mostly students and teachers.

Classes were disrupted for the rest of the day, and Raymond Drapich, school superintendent, ordered all of the schools to close at 2:15 p.m. after a few carloads of Negroes gathered at the Madison junior high school at Third street and Alton avenue.

Asked to Leave

Several Madison police officers, state troopers and sheriff's deputies were told by 10 to 15 adult Negro males on the sidewalk that they had heard there was trouble at the school. They were asked to leave and eventually did so.

The schools reopened today and the senior high school reported a normal attendance but a tense atmosphere this morning. Classes were to be dismissed at 2 p.m. today.

Graduation programs will be held as scheduled at 8 p.m. today at the junior high school (see page 2) and at 8 p.m. Friday at the senior high (see page 3).

However, the scene of the senior high exercises was moved from the athletic field to the school auditorium.

Police Chief Emmett Pizia believed the fight was the result of a series of grievances which had compiled at the school and little time remained to air them.

The fight started at the Nu-Hi grill across from the school which some students had entered. The grill is operated by Mrs. Leo Sprankle, wife of a state trooper.

It followed a previous incident on Tuesday when Mrs. Sprankle was knocked down by a Negro student and caused a "sense of excitement" in the school the rest of the day.

At about 11:45 a.m. Wednesday, Trooper Sprankle escorted a white girl and a Negro girl out of the grill.

Prior to Disturbance

The white girl left the area in a car accompanied by another white girl and a white boy. The Negro girl joined a group of 20 to 30 Negro girls on the east side of Farish street. A few minutes later, the student who left with the white girl returned and stopped where a Madison patrol car was parked.

He told Youth Officer William Fanning that he was scared, and asked him to take the girl home.

GC Police Plan To Picket City Hall June 30th

Police plan to picket the city hall starting at midnight June 30 if a new agreement on wages and working terms is not reached by that date.

Patrolman Robert Astorian, president of the Policemen's Union, appeared at Monday night's Granite City council session, but there was no progress in arranging an agreement for a negotiating meeting.

The council was advised by Mayor Monday night that the police union rejected a proposal made by Mayor Partney and had no intention of waiting all summer for a session with the council. Unless an agreement is reached, informational picket lines will go on at city hall at midnight on Monday, June 30.

Last year, off-duty police and firemen picketed the city hall as the council failed to reach a settlement. The picketing went on for several weeks before an agreement finally was reached after the budget had been adopted.

Patrolman Astorian told council members Monday night, "We would like to meet with you to work out our differences. Our contract expires April 1, and we would like to get this settled."

"Can't Talk Now"

A motion was made by Alderman Robertson for the police union letter to be filed, and Basarich commented that the new budget would not be adopted until July "and we can't talk now."

Partney interrupted to point out the discussion was going nowhere and that definite steps should be taken to work toward a settlement. "I think the chairman of the Police committee should meet with them."

So far negotiations have been carried out by a now defunct committee of the council that had been headed by former Alderman Richard Fry, who went off the council April 30. The members, Charles Moellen, who heads the new Finance committee, and E. M. R. Rich, are away from town.

Mayor Partney said he named Walter Nomm to replace Fry, but Nomm had refused. Nomm commented that he recalled how the council dropped the negotiating committee last year and gave authority to the police committee. He did not want to be placed in that position.

\$22,000 for All

The mayor added that since May 1, he has met with each city employee group. He reported that he had set up \$22,000 in a proposed budget for employee pay increases. He added that he failed to take up the budget at that position.

Housing Authority Pays \$20,908 In Lieu of Taxes

The annual payment by the Granite City Housing Authority to local taxing agencies amounts to \$20,908, was reported to the city council Monday night. The payment, in lieu of taxes, represents 10% of the rent income of the housing projects in 1968.

City Treasurer E. R. "Pat" Rich is to make the distribution based on taxing agencies current tax rates.

Of the total, the school district, he said, is to receive \$12,557; the city, 19.0% or \$3,989; the county, 17.7% or \$3,710; and the state, 4.3% or \$908.

The Granite City Park district, 3.76% or \$786, and the township 1.86% or \$388.

(Continued on page 3, col. 1)

NEW INDUSTRIAL PLANT is to be built beginning this summer for the Chemico Metals Corp. at the site bounded by this square. It faces Illinois Route Three at the left and is near Old Alton Road, which angles to connect with the highway at the Hartford canal a short distance to the north (toward the top of the aerial photo). At the far left are the Mississippi River and the northern end of the Chain of Rocks Canal.

GC to Try for Federal Funds To Pay Sewer Break Costs

The possibility of obtaining a grant of federal tax funds to repair or replace broken sanitary sewer lines was brought out during Monday night's Granite City council session.

Faced with prospects of several more breaks, the council authorized the city's engineering staff to begin immediately to compile specifications to secure bids on detailed inspection of lines to determine the extent of damage to trunk lines in the Nameoki area.

With the detailed data, application can be made with the Federal Housing and Urban Development agency for funds, and engineer Kenneth Kleberner said there is a good possibility the city could qualify for aid.

"We'll need comprehensive data, and that can be obtained only through the services of a specialized firm. We could prepare even-quality for a planning loan," the engineer said.

When pressed by the mayor and council for quick action, the engineer said it would take about two weeks to get the specifications together to call for bids. Representatives of two such engineering firms were present Monday night, and one had preliminary data prepared for the city at a cost of \$200 for inspections of manholes and flashlight probes of lines from the manholes.

The report stressed there was considerable infiltration of water into the sanitary lines, and that visual inspections were only for distances of 15 feet from manholes. Sewers should be cleaned for closer inspection by closed circuit television cameras.

Policing Important

As a hopeful immediate stopgap measure, all policemen and street department workers are being alerted to notify the engineer of any possible future break-downs of lines or depressions in alleys or streets. Street Sup't. Warfield said he knew of one at Dale and St. Clair.

He added that there were several other "suspect locations."

Engineer Kleberner said preventive measures could be taken through test drilling to determine if there are cavities, and that there could be prevention of sewer line breaks by filling such cavities with sand.

The engineer added that inspections at the breaks show the lines apparently had been intact, except for looseness at joints, and that the line breaks had occurred only when the cavities collapsed.

The final alternate method of the city council.

Use of Narcotic Drugs Increasing in Area

By M. E. BARTOSIAK

Use of narcotic drugs is increasing among youngsters in the area, according to a survey of society in the Quad-City area and throughout Madison county, according to Demos Nicholas, sheriff of the county, who said he is becoming increasingly concerned.

Nicholas said the drugs are easily obtainable, and can be obtained from pushers hanging around taverns, schools and other public places.

Drugs can even be obtained without too much difficulty in the cafeteria at Southern Illinois University at Carbondale, he said, describing a recent visit there.

Most users are on marijuana or opiate or barbiturate pills, which are habit forming but with no withdrawal problem, he said, but L.S.D., a psychoactive drug, is also used.

Make Narcotic Trials

Youngsters also make trips to Chihuahua, Mexico, New Orleans and Chicago and are bringing the narcotics back with them.

Many of the users are teenagers and young adults ranging in age up to 25 and 26 years, Nicholas said, and they include all types of people.

"You would be amazed at some of the names we have come up with," he said.

Youngsters Informed

Most 11 and 12-year-old students, while not yet ready to experiment with narcotics, Nicholas said, are being brought from Florida where a person can buy a "tab" for \$1 or \$2 and then sell it here for \$8 to \$15.

Walter Hundley, 59, Local Auto Dealer, Expires

Walter G. Hundley, 59, of 2600 Delmar avenue, owner of the Hundley Pontiac agency, died of a heart ailment at 10:10 a.m. Tuesday at Jewish Hospital, St. Louis.

Mr. Hundley, an ardent outdoorsman, was a native of Kennett, Tenn. and lived here 40 years.

Mr. Hundley, a 57-year local resident, was born at Stone Church, Ill. He was a Navy veteran of world war I and had been employed at the former Corn Products Refining Co. for 35 years, he was bookkeeper for the Beltsville, Md., engineering association in St. Louis, retiring in 1964.

He was a member of St. Peter United Church of Christ and the Brotherhood of the church, Masonic Lodge 877 and Tri-City American Legion Post 104.

In addition to his wife and daughter, he is survived by four brothers, Gustav, Hoelscher of Clearwater, Fla., retired executive manager of the East Side Manufacturers Association; Otto and Edwin Hoelscher of Granite City and Wilfred F. Hoelscher of Richmond Heights, Mo., vice-president, secretary and treasurer of Granite City Steel Co.; two sisters, Misses Clara and Ella Hoelscher of Granite City, and three grand children, William Nivin Jr., Mary Jo and David Nivin.

Funeral arrangements are given in today's obituary column.

Fireworks Ban To Be Enforced

Emphasis on the fireworks ban in the Quad-Cities area was made this week by police chiefs of three local municipalities, who said city and state anti-fireworks laws will be strictly enforced.

Emmett Pizia, Madison police chief, was designated spokesman for the chiefs, who included John Essington of Venice and Ronald Veizer of Granite City.

He said violators will be arrested and charged with a fine of \$20 to \$50, and that the minimum fine is \$20 plus \$5 costs. "This covers only the cost of the fireworks, but also the sale of fireworks in the local communities," Pizia said. "We know many people go to Missouri and buy them, and persons shooting them here in violation of the law will be prosecuted."

Crane Rolls Into Street Breaks Pole, Lines

A mobile crane belonging to a Madison construction firm rolled into the street in the 100 block of Washington avenue about 3 p.m. Monday knocking down a utility pole, and several power lines.

No injuries were reported by Wilbur Waggoner, who advised Madison police of the mishap. He also was unable to explain how the crane rolled off the lot into the street.

Chemico Metals Firm To Construct Plant on 40-Acre Mitchell Site

Announcement Today By Governor, Head of Parent Firm in Belgium; 141,000-Ft. Plant To Make Copper, Other Products; 120 Jobs

Governor Richard B. Ogilvie announced today that the Chemico Metals Corp. will build a metal and chemical industry plant employing 120 persons on a 40-acre site south of the junction of Highway Three and Old Alton road at Mitchell. Principal activity will be the production of refined copper.

The tract is owned at present by the Union Electric Co. and is part of the Lewis and Clark Industrial Area. It is a half-mile east of the northern end of the Chain of Rocks Canal, where a second Tri-City Regional Port District harbor is proposed.

Port District Union Electric and Chemico officials met with Madison county and Chouteau township officials and other leaders of the Mitchell area at a dinner Tuesday night at the Rose Bowl restaurant to discuss the new plant location and related requirements and expectations.

Formal announcement of the plan for construction of the 141,000-square-foot manufacturing building took place at a luncheon this afternoon at the Skaggs restaurant, Wood River.

Quadrants at today's luncheon included Clifton E. Blankenship, president, and Howard Colquhoun, manager, of the Chamber of Commerce of the Tri-Cities, and Harold R. Fischer, chairman, and Carl Rankin, manager, of the Port District.

Chemico Metals Corp. is a wholly-owned subsidiary of La Metallique Chimique S.A., of Brussels, Belgium.

Company, State Officials

Dignitaries at today's gathering included Madison County, president of La Metallique-Chimique, Earl Bockstuck, president of Chemico Metals Corp., and Raymond Dickerson, chairman of the Illinois State Department of Business and Economic Development.

Gov. Ogilvie's statement welcomed the overseas-based company to Illinois and praised its selection of the Lewis and Clark Industrial Area.

The 40-acre tract, for which an option has been obtained, is located immediately east of Illinois Route Three and west of Old Alton Road, a short distance from the Chain of Rocks Canal (Hartford canal). The site is owned by Chemico Metals Corp. and is adjacent to the Illinois Terminal Railroad Co.

President Ferrell shared in making the announcement and presided over the luncheon gathering today. The meeting was hosted by a number of civic and business leaders of this county and was coordinated by the Chamber of Commerce and its executive director, Robert J. Bockstuck.

The La Metallique-Chimique executive commented, "We are very grateful to the many persons and organizations in this area who have aided us in choosing this excellent location. Special thanks go to the Board of Directors of the Illinois Department of Business and Economic Development for telling us about the state of Illinois and guiding the preliminary planning."

Road, Rail Installations

President Bockstuck of Chemico Metals Corp. reviewed plans for the manufacturing and office structure and installation of extensive rail facilities and necessary roadways and other public utilities.

He said La Metallique Chimique has developed efficient production techniques for producing high-purity copper from low-grade raw materials and has a long history of pre- and post-drift physicals.

DONALD ADAMS

Co-Chairmen Named For UF Division

Co-chairmen for the Commercial Division of this year's Tri-Cities area United Fund campaign were named this week by H. D. Karandjett, UF board chairman, and Leo Konzen, this year's drive chairman.

The co-chairmen are William Harris, president of Wagner Seven Up Bottling Co., Madison, and Donald Harris, president of the Granite City Glass Co. Both men have years of experience as United Fund drive volunteers.

Harris, who also heads the board of a United Fund agency — the YMCA — resides at 3136 Princeton drive. Adams, vice-president of the Tri-Cities Chamber of Commerce, lives at 4066 Vesic avenue.

GI Home Loan Ceiling Boosted to \$21,000

President Nixon has signed into law the first direct veteran benefit measure passed by Congress in his administration. Among its principal provisions, PL 91-22, which became effective June 6, increases from \$17,500 to \$21,000 the maximum amount which the Veterans Administration may loan a veteran for a home.

Also raised from \$10,000 to \$12,500 is the amount which the VA may grant paraplegic veterans for specially adapted housing.

Another provision of the new law extends the specially adapted housing benefit to veterans who have either lost or lost use of one leg and are suffering other service-connected neurological or orthopedic disability requiring regular use of a wheel chair.

Previously, only veterans who had lost or lost use of both legs as the result of military service were eligible for VA "wheel chair home" grants.

Finally, the new law relaxes the first lien requirements for VA-guaranteed home loans to permit guaranties of homes for veterans where basic financing requires first lien security for monthly charges to home buyers for development of community and recreational facilities.

Speeding Charge Filed

Gary W. Mayes, 1721 Third street, Madison, was issued a speeding ticket at 8:45 p.m. Tuesday on Edwardsville road at the Granite City Steel Co. blast furnace plant.

Top Grain Shipment From Calumet Harbor

A shipment of 798,000 bushels of grain sailed last week from Chicago's Calumet Harbor. This is the largest grain shipment ever to leave Illinois for an overseas port.

The vessel carried 720,000 bushels of corn and 78,000 bushels of soybeans destined for Antwerp, Belgium.

Since the shipping season opened this year 19,192,000 bushels of grain have been moved out of the Chicago ports.

MORE ABOUT Narcotics

up in the hospital. After she left, her arm was discolored and swollen from the unsterile needles that had been used.

In three recent cases, girls were given drugs at a Granite City drive-in restaurant and then taken to rooms where they were ravaged, he said, adding that there can be no prosecution as parents will not permit their daughters to testify in a trial.

"To control the traffic we are going to have to have the cooperation of parents who first will have to be educated," Nicholas said.

He does not expect the problem to be solved until the young people of today become parents. "Our generation doesn't know anything about this, but the next generation of parents will know the problem and will be able to stop it."

"Nine-tenths of the people don't know what to look for when their kids are high," Nicholas added.

An organized ring is operating in the county, he said. The ring is headed by one man, and the ring is divided into five divisions with five leaders. "This is more lucrative than the 'hard stuff,' he said, "as the kids are not afraid to experiment."

But though the ill use and sale of narcotics is illegal, it is almost impossible to prosecute because of the court interpretation of the law on search and seizure.

"We are seeing it as contraband when we can't get into the market," he said, "but we are not prosecuting."

He told of one recent case where some youths were taken into custody for having an open bottle of liquor in their car. They were searched while in jail and narcotics were found on them. But the court dismissed the case, calling it unlawful search and seizure.

He said county authorities just missed capturing some persons in a motel near Granite City. He said they found some "baggies," marijuana which was cut. Marijuana can be obtained at \$20 a kilo and can be cut to stretch the volume to three or four kilos, assuring a large profit.

However, if authorities found only one marijuana seed in a car, it would be enough to prosecute. The seed will not burn and will pop out of a cigarette.

Confiscate Autos
He also warned that if a hard narcotic is found in an auto, authorities can confiscate the car and the owner will never get it back.

Sale and use of the pills is only a misdemeanor and call for fines of \$100, Nicholas said, but penalties for other narcotic drug violations range up to fines of \$3000 and terms of five years in prison.

He noted the following common symptoms of drug abuse: Changes in school grades; discipline and grades; change in the character of homework turned in, unusual flare-ups or outbreaks of temper; poor physical appearance, wearing of sunglasses at inappropriate times to hide dilated or constricted pupils.

Long-sleeved shirts worn constantly; hide needle marks; association with known drug abusers; borrowing of money from students to purchase drugs; stealing small items from school and finding the student in odd places during the day such as closets and storage rooms to take the drugs.

Specific Drugs
He also listed some manifestations of specific drugs: The glue sniffer—odor of substance inhaled on breath or clothes; excess nasal secretions, watering of the eyes; poor muscular control; drowsiness or unconsciousness; presence of plastic or paper bags or rags containing dry plastic cement.

The depressant abuser (barbiturates, "goofballs")—symptoms of alcohol intoxication but with no odor of alcohol on the breath; staggering or stumbling; may fall asleep; lacks interest in activities; is drowsy and may appear depressed (amphetamines, "benzies")—cause excess activity, may be irritable, argumentative, nervous, a racy, has difficulty sitting still; pupils are dilated; mouth and nose are dry with bad breath; frequently rubs his lips frequently and rub and scratch his nose; chain smoking; goes long periods without eating or sleeping.

The narcotic abuser (heroin, demerol, morphine)—heroin addicts are not frequent visitors in school and usually begin by drinking paragonic or cough medicine containing codeine, the presence of empty bottles in wastebaskets or on school grounds is a clue.

Inhalant heroin in powder form leaves traces of white powder around the nostrils, causing redness and rawness; injecting heroin leaves scars on the inner surface of the arms and elbows; users often use syringes, bent spoons, cotton and needles in lockers; he will be drowsy, pupils are constricted and will fall to respond to a light.

143 Seniors to Graduate at MHS Friday

Madison high school will graduate 143 seniors in commencement exercises at 8 p.m. Friday in the school auditorium.

The commencement address will be delivered by Lt. Gov. Paul Simon of Troy. His topic is entitled "Our Exciting Future."

Diplomas will be presented by Chester L. McManaway, president of the board of education, following presentation of the class by Richard L. Brown, principal, and remarks by Raymond Dragich, superintendent of schools.

A welcome will be extended by Naomi Henderson, class president. A mixed quartet will play "Prelude" by Lefebvre. It is composed of Patricia McBride, Cheryl Wall, Connie Haddock and Margie Blake.

Vocal Ensemble
A vocal ensemble will sing "I Believe." It is composed of Phillip Sanders, Oscar Hampton, Clavin Ratliff, Melvin Bradley, and others.

Yvonne Howlett, Deborah Whittner, Evelyn Love, Marceline Anderson, Directa Williams and others.

The invocation will be offered by Rev. J. J. Foster, the accompanist is Mrs. Valerie Stevens.

The benediction will be presented by Rev. Engelbert Blenck.

Class colors are green and white, the class flower is the American beauty rose, and the class motto is: "The real democratic idea is not that every man shall be on a level with every other one, but that he should have the opportunity to be what God made him to be."

MORE ABOUT GC to Try

financing the costly sewer breaks would be through issuance of bonds, Mayor Partney pointed out, adding that all of the city's sewer lines have been depleted through payments for the present sewer repair jobs and the costs of special cleanup and improvement projects called for by the council.

Infiltration Problem
Kleiberger said the sewer line inspection will be needed even in lateral lines in several areas because of extensive infiltration of underground water, either at joints in the laterals themselves or from individual connection lines.

Evidence of infiltration from the connection lines was discovered by the inspecting crews.

So far, the recent nine sewer breaks have cost the city \$80,744 during May and \$85,000 in the fiscal year. In separate action Monday night, the council approved a resolution to transfer \$140,000 to the sewer maintenance fund.

Special guests were Clyde Boyd, chairman of the educational program; Stanley Weir of the University of Illinois, in

should delay the report until data from another firm was available.

Schuler replied, "We paid for the report, and we can't continue as we are, or it will take every dime the city has and more. It appears we may have to issue bonds to correct this matter."

The report presentation was started, and within minutes, Nonn and Basarich departed, leaving nine aldermen present at 10:30 p.m.

It was determined the lines were to be cleaned, and the city's jet water system would not be adequate to clean all the lines.

Problem Centers
The problem centers are the Lexington road line, where breaks have occurred. A suspect location in the vicinity of Johnson road and Terrace lane also was noted.

Engineer Kleiberger recommended the council authorize cleaning the lines for the telephone inspection. "We know in detail our problems and where we need to spend the dollars," he added.

He added that he would correlate geological data with the information, so the council would know if lines are suitable for repair or should be replaced.

The vote was 9-0-0 for him to proceed. Present for the vote were Aldermen Whittner, Boyd, Rutledge, Parnley, Poulos, Green, Morien, Schuler and Boker.

He said county authorities just missed capturing some persons in a motel near Granite City. He said they found some "baggies," marijuana which was cut. Marijuana can be obtained at \$20 a kilo and can be cut to stretch the volume to three or four kilos, assuring a large profit.

However, if authorities found only one marijuana seed in a car, it would be enough to prosecute. The seed will not burn and will pop out of a cigarette.

Confiscate Autos
He also warned that if a hard narcotic is found in an auto, authorities can confiscate the car and the owner will never get it back.

47 Steelworkers Complete Community Problem Course

A group of 47 members of the United Steelworkers from nine area local unions have completed an eight-week course entitled "Labor and Community Problems."

The graduates and their families were honored at a banquet held in East Alton.

The course subjects included taxation, bond issues, parks, schools, air pollution and community affairs.

Lloyd McBride, director of District 34, United Steelworkers, announced that the graduates pointed out that "community problems are labor's problems. The gains won in the factories and mills can lose their value if we don't have decent, clean, well-managed communities in which to raise our families and educate our children. Labor encourages involvement in community affairs."

Each graduate was presented with a certificate acknowledging completion of the course.

Special guests were Clyde Boyd, chairman of the educational program; Stanley Weir of the University of Illinois, in

Motorist Is Accosted By Man with Knife
Richard Kimmel of Belleville notified Venice police Monday night that he was approached by a man with knife when he stopped for a boulevard sign on Weaver street at Douglas street. He said he was able to wind up the window of his pickup truck and drive off.

The would-be assailant dropped the knife, which had a four-inch blade, inside the cab.

Kimmel described the man as being a Negro 20 to 25 years old and wearing khaki trousers and an orange and white shirt.

Kimmel said he was told, "Don't ever come this way again." Venice police searched the area but were unable to locate the man.

Vandals Break Pipes
Vandals broke two 10-inch water pipes leading to new sewer lines at 4700 and 3500 Kirkpatrick homes during the night. It was reported at 9:15 a.m. Monday by the S. M. Wilson & Co., general contractor. Damage was estimated at \$200 at each break.

Two Granite Cityans, Donna Cochran and Judy Ann Dullar are attending the 17th annual music camp for high school students at the Eastern Illinois University. Both are attending string camp sessions.

Salvation Army Board Sets \$47,770 Budget for 1970

A budget of \$47,770 for 1970 was set by the Salvation Army advisory board during a meeting Tuesday evening at the Grand Hotel, Edward Stone, chairman, presided.

Details of the proposed new budget were presented yesterday to the Admissions and Distribution committee of the Tri-Cities Area United Fund.

Further study is being given for selection of a site for a new Citadel with Irvin State and Randall Robertson, local lawyers, to handle the details.

The service report submitted by Capt. and Mrs. Harold F. Thomas, officers in charge, showed 134 group activities were conducted during the past two weeks. These included Sunday school sessions, chapel services, handicraft classes, musical groups, sewing and quilting sessions.

The local corps participated in a united area-wide Gospel Crusade and sponsored a week of service. The League distributed 300 gifts packed for draft incense, 623 gifts for shut-ins and for patients at Scott Air Force Base Hospital and gave out 470 Easter remembrances.

Welfare services were provided for 107 individuals with the aid consisting of clothing, food, shoes, educational programs, recreational programs and out-of-town senior citizen sessions and character-building programs for youth.

The League of Mercy visited 841 individuals at hospitals and institutions with 168 hours of service. The League distributed 300 gifts packed for draft incense, 623 gifts for shut-ins and for patients at Scott Air Force Base Hospital and gave out 470 Easter remembrances.

Welfare services were provided for 107 individuals with the aid consisting of clothing, food, shoes, educational programs, recreational programs and out-of-town senior citizen sessions and character-building programs for youth.

He was a member of Sacred Heart Catholic Church, the Knights of Columbus and KC fourth degree and World War I Veterans Barracks 34. Mr. Feraud served overseas with the Army during the first world war.

His sole survivor is a sister, Miss Josephine Feraud of Granite City.

Funeral arrangements are given in today's obituary column.

Faces 3 Charges
Three charges were placed against Herschel Hicks, 26, of 2223 Washington avenue, Wednesday evening at 23rd street and Washington avenue, where police found Hicks in an auto in the middle of the intersection. He was charged with obstructing traffic, failure to have a state gun owner registration card and illegal use of a weapon. A gun was found in the auto.

Name Omitted
Eva Keel, a sixth grader at Lake school, was a winner of the President's Physical Fitness award for her school and was recipient of the Alton award. Her name was omitted from the listing in last week's Youth Focus. She is the daughter of Mr. and Mrs. Leland Keel, 3530 John Glenn drive.

More About Chemico
has licensed Chemico to use these processes and techniques. The firm is currently working with several of the leading U.S. designers of air pollution control equipment on plans to equip the plant with the best available pollution control equipment.

Begin Work This Summer
It is expected that construction work will be started by late this summer.

Limited preliminary production operations will begin in the second quarter of 1970, and it is believed that all construction will be completed by the end of 1970.

The estimated employment figure of 120 is to be reached when the new plant is operating at normal production levels. The staff is to be drawn from communities in this area.

30,000 Tons Annually
Production capacity is planned at 30,000 tons of refined copper per year.

In addition to copper, the plant will produce a variety of ferrous metallic and chemical by-products.

The products will be marketed primarily to the U. S. and most raw materials will be of domestic origin.

It is expected that offices will be maintained at 6504 East Broadway, Alton, while the plant is being constructed.

The Lewis and Clark Industrial Area is part of an area of more than 8000 acres in and north of the 30,000-acre site, aside for industrial development by utilities, railroads and other land owners.

Deputies Stop Five With Gasoline, Rags

Madison county sheriff's deputies on patrol in East Madison, stopped an auto containing five youths, 15 to 17 years old, from Brooklyn and North Venice, who had a half gallon of gasoline and some rags in their possession.

As there was no case against the group, the deputies released the youths but reported the incident to the Madison police department, supplying the names and addresses of the teenagers.

Girl Cut by Glass

Goldie Skags, 15, of 819 Washington street, West Madison, was cut on the left leg by a piece of glass when a boy, 12, threw a bottle onto Third street while they were playing on the Dunbar school yard. It was reported at 10:45 p.m. Thursday. She refused medical attention.

Bible School Program Tonight at Mission

The closing program of the vacation Bible school of The Gospel Mission will be held at 7:30 this evening. Seventy-five youngsters were enrolled during the ten-day session.

During the sessions, Mrs. Ruth Comer gave flannelgraph stories of the Bible, and Donald J. Hayes led the singing. Mrs. Bethel Davis was in charge of the Bible memory work which included the 100th Psalm, ten books of the Bible, and The Lord's Prayer.

Others taking part were Miss Christie Hayes, Bible bearer, and Donald Hayes, flag bearer. Refreshments were served by the Women of the Mission each morning during the school. The public is invited to attend the service this evening. Parking is in the rear of the Mission, 204 East 20th street.

JOHN KAZMAN

Kazman Elected Head Of K. C. 4th Degree

John Kazman, 2572 East 27th street, was elected faithful navigator of the fourth degree assembly of Tri-City Knights of Columbus Council 1088 during a meeting Wednesday night. He succeeds Harry Hadley of Venice who held the post two years.

Other officers named were Rev. Peter Bertoldo, faithful triar; Leo Portell, faithful compitroller; Edward Boyer, faithful captain; Hadley, faithful admiral; Dr. John Vassiloff, faithful pilot; Edward Evans, faithful inner sentinel; Aloys Lucash, faithful outer sentinel; and Dan McGee, faithful true.

The assembly planned to participate in the St. Louis Shrine parade this evening. A discussion was held on changing meeting dates from the third Wednesday to the third Thursday of each month. A lunch was served after the meeting.

Professor Lives in Home Where the Buffalo Roam

If Julius Brown, chairman of the engineering faculty at Southern Illinois University, had only to look out of his window in O'Fallon to get a glimpse of early American history. The buffalo herd is a recurrent topic of conversation and fun for the professor.

The assembly planned to participate in the St. Louis Shrine parade this evening. A discussion was held on changing meeting dates from the third Wednesday to the third Thursday of each month. A lunch was served after the meeting.

He said that he no longer writes his rural route number on his mail, he simply signs it "the buffalo farm."

But Prof. Brown does have the last laugh on visitors to his work which disbelieve upon mention of living on a buffalo farm, he also has to contend with jokes about his pheasants, wood ducks and guinea hens.

He said his first verse might not include the traditional line "where the deer and the antelope play," his peacocks and guinea hens would make a fitting substitute.

Professor Brown's home is located on a farm about two miles north of O'Fallon, owned by his father-in-law. The 280-acre grass meadow is home to a herd of America's first heirs to the plains.

According to Prof. Brown, Oliver C. Joseph, owner of the herd, bought the original group of animals from a Kansas farmer in 1922. He responded to an advertisement stating that a buffalo sale would be held because of difficulties resulting from a Kansas drought.

He said his father-in-law bought the herd primarily because he is a conservation-minded. Understandably so since almost all of the more than 600 million plain-roamers have long since succumbed to camp-fires, sport, and sport coats.

The herd of 10 has awakened more than one sleepy driver passing the roadside farm, according to Prof. Brown. And although they are great jumpers and swimmers, he continued, they are usually content to munch and lead a quiet, uneventful life.

However, the professor and

Drowning Victim Found, Rites to be Held Here

The body of Jerry Wayne Drake, 20, of East Carondelet, son of Mrs. Bourban Drake, of Granite City, was recovered Wednesday night from Carlyle Lake where he drowned Saturday night.

He and a companion, Harry L. "Toby" Whitman, 1229 Edison avenue, were in a boat fishing when Drake fell overboard.

Born in Canaan, Mo., he resided in East Carondelet for a year and was employed by his father, Charles Drake, operator of the Drake Tractor Service. He previously lived in Ohio.

In addition to his parents, he is survived by five sisters, Mrs. William (Donna) Riggs, Amhurst, O.; Mrs. Laurence (Sharon) Grindsaff, Wakeman, O.; Miss Margaret Drake, Brooklyn, N. Y.; Miss Christine Drake, Overland, O.; and Miss Mary Drake, at home; and his grandparents, Mary and Charlie Maehle, Elmore, Mo., and Mrs. Helen Drake, East Carondelet.

An obituary notice appears elsewhere in this issue. Services will be held here.

9 Persons Hurt Here this Week In 19 Accidents

Nine persons were injured this week in five of 19 traffic mishaps occurring in and near the Quad-Cities area.

Robert Ward, 43, of Rural Route 20, and Donald Lynn Story, 32, of St. Louis, were injured when their autos collided head-on at 4:35 p.m. Monday on Old Alton road north of Interstate 270.

Both were taken by ambulance to St. Elizabeth Hospital. Ward suffered lacerations to the chin and right arm and multiple abrasions and was transferred to Scott Air Force Base Hospital. Story was treated for a laceration to the chin and for bleeding from the lower teeth and was released.

Auto Hits Tree

Two youths were injured about 1:15 p.m. Wednesday when the auto in which they were riding struck a tree and lost control on a curve in the 2200 block of Terminal avenue.

Police said the driver, Kevin Spence, 18, of 2308 Cardinal avenue, told them he was talking to a passenger when the mishap occurred. He was charged with careless driving.

Injured were the driver and Greg Spence, 16, of the same address. Another passenger, Bernice Maxfield, 16, of Morris court.

The tree and post were struck at the home of Ted McCaskey, 2288 Terminal avenue.

Three-Auto Accident

Three persons were injured in three separate accidents, one driven by Gerald E. Tripp, 2573 North street, made a left turn from Nameoki road onto a side road and was struck by a car driven by David Lee, 61, of 211 Hill street, Eagle Park Acres.

The Tripp auto was knocked against the third car driven by Richard Ponewash, 2259 Lee avenue, who was stopped on Fehling road. Tripp was charged with failing to yield the right-of-way on a left turn.

Lee was taken to St. Elizabeth Hospital with pains and contusions to the right knee and was released after x-rays were taken of the knee and right shoulder. Two persons in the Tripp auto were listed as injured. They are Elaine Tripp, 20, of North street and Joe Tripp, 15, of Pilot Knob, Mo.

David Webb sr., 28, of 2012 Oregon avenue, was stopped at 2:40 p.m. Tuesday at Belleville Memorial Hospital, for injuries sustained in a motorcycle accident which occurred a short time earlier on U.S. 50 in Fairview Heights.

The local man, who had been visiting friends in the Belleville area, told police his machine skidded on the highway and rolled into a ditch. He was released after treatment.

Admitted to Hospital

Billy T. Holloway, 20, 2154 Lee avenue, was admitted to St. Elizabeth Hospital at 7:15 p.m. Monday with injuries sustained when his auto was struck from behind.

His chest struck the steering wheel, which snapped, and his head hit the windshield, which broke. He had pains in the spine, abrasions to the left leg and received x-rays of the spine, back and ribs. Other details of the mishap were unavailable.

Nameoki Twp. Tax Collection Totals \$91,548

Nameoki township tax collections in the first four days total \$91,548, which is about 20 percent of the year's figure, it was learned today. Township taxpayers may pay their bills at any time during banking hours at Granite City Trust & Savings Bank.

Collections in Granite City start Monday, according to E. R. Rich, city treasurer, who said tax bills are in the process of being mailed to the city's Granite City taxpayers may pay bills between 8 a.m. and 5 p.m. Monday through Friday at the city hall.

MORE ABOUT

Fight

As she had a fight with the Negro girl, and that he was afraid to drive with her in his car.

The girl told Fanning that the Negro girl had attempted to "pick" a fight with her in her second-hour class. But failing in this, she followed the girl into the grill driving chain and again started to "pick" on her. She said the Negro girl hit her and she hit back. Fanning took the white girl home and returned when the fight was erupting on the school parking lot.

Other county deputies, 10 state troopers and police from the Granite City and Madison departments were called to help control the situation.

Bottles Lured

Fanning said a large amount of bottles was hurled through the air into the grill, and was growing as more students and teachers ran onto the parking lot. Eventually the crowd of students went back into the school.

Pazia and Deputy John Haynes escorted three white students to the police car and took them to a passenger when the mishap occurred. He was charged with careless driving.

Fanning was instructed to guard them so they would not get back into the fight which still raged in the school.

The crowd surged in and out of the school, and glass could be heard breaking in the building. Security guard Barney Fraundorf came out of the building and said the students were starting up the school.

School officials reported today that only one bottle was broken and three students were injured. As the sirens from other patrol cars were heard approaching, a crowd of Negro students came out of the building, moving near the school.

Female Student Arrested

A female student was carrying a soda bottle, and Fanning ordered her to give him the bottle as she might throw it. She refused and then was placed under arrest. She replied that a vapor remark.

A Negro youth approached and told her that she did not have to listen to the police and that she could go home. He also was placed under arrest.

The situation was brought under control with the arrival of Sheriff's deputies and state troopers.

Chief Pazia said no firearms were in evidence but he confiscated a metal bottle which had a steel lock attached onto one end and a wide leather strap-type handle with a heavy metal buckle, both considered to be dangerous weapons. They were also in evidence.

A threat of more trouble today was made by an anonymous caller who told the police that the automobile was in the school today.

Victims Treated

Treated at St. Elizabeth Hospital were: John O. O'Sullivan, 16, of 2122 Alton avenue, 30 to 40 superficial razor cuts to the legs and contusions to the face; John Burk, 16, of 2123 Hildebrand street, two loose teeth and contusions to the forehead.

Jonathan Thompson, 16, of 1661 Fourth street, hit with a bottle, a two-inch laceration to the left eye; and a two-inch laceration to the head requiring eight sutures.

Pamela Economy, 16, of 1800 Sixth street, contusions and abrasions to the legs; Eddie Hilton, 17, of 1017 Biessel street, and elbow; Madison Garrett Jr., 16, of 1018 Douglas street, a bottle hit his right foot.

Theresa Collins, 16, of 146 Lee Wright Homes, superficial lacerations to the right leg; and a two-inch laceration to the right eye; and a two-inch laceration to the right eye; and a two-inch laceration to the right eye; and a two-inch laceration to the right eye.

At about the same time, another girl, Sharon Bennett, and x-rayed as a bottle hit her in the chest. Most of the students were x-rayed before being released.

License Charge Filed

Louis E. Green, Centerville, was arrested at 7:45 a.m. Tuesday on a charge of driving with an expired license at East 23rd street and Nameoki road.

BB Shot in Windshield

George Shanks, 628 Broad way, Venice, reported at 8:40 p.m. Wednesday that a hole in the windshield of his auto with a BB gun.

Delmar avenue; Tina Carpenter, 2122 Elm street; Barbara Wood, 2620 West 20th street; Stella Lightfoot, 2044 Edison street; Morris Kennedy, 2208 Washington avenue.

Geo. Lynn, 60, Dies; Beaten 3 Months Ago

George E. "Bruce" Lynn, 60, of 2012 Fourth street, Madison, died at 6:15 p.m. Wednesday in Brothers Hospital, Harrisburg, Ill., apparently from injuries sustained in a beating 3½ months ago.

A spokesman for the family said today that Lynn had suffered extensive brain damage when severely beaten by a man in a Madison tavern on March 6. She said the incident occurred when Mr. Lynn went to ask another man who was being beaten by the same man. She noted that a complaint had been filed by the injured man against his attacker.

Initially treated at St. Elizabeth Hospital, Mr. Lynn was transferred to Firm Desloge Hospital, St. Louis, where he remained unconscious ten days. He underwent surgery and was confined at Firm Desloge until June 5 when he was transferred to a nursing home at Carrier Mills, Ill. He was moved Saturday to the Harrisburg hospital.

The break-ins were at the Like New Motors, 2310 Nameoki road, where the door was smashed and the machine was forced open; and at the Granite City Auto Sales lot, 3318 Nameoki road, where the door was smashed and the machine was forced open.

400 Tool Set Stolen

A set of snap-on tools valued \$150 was stolen last night in a burglary at Norman's Auto Body shop, Nameoki and Ponton roads. Police said the tools were in the rear door to gain entrance.

A pneumatic wrench valued at \$150 was stolen from the J.B. Tire Co., 2222 West 20th street, after midnight. It was reported to police by the manager, Elmer Moore, who said the wrench was missing after the servicing of an auto with Missouri license plates, driven by a short stocky white man with red hair.

\$150, Cards Stolen

Mrs. Rosemarie Lindner, 2820 Cayuga street, in charge of a card class at Niedecker Haus school in the park district recreation program, reported at 8:35 a.m. Wednesday that \$150 in student insurance money and 150 completed park district registration cards were removed from her purse. She said she had placed the purse under her desk on June 12 and later noticed the theft until later.

Alvin Thompson, 1016 Galsight Walk, reported Monday that tools in a large box, a torch and gauges were stolen in a burglary at a garage on Benton street. Entry was gained by forcing a back door.

Karen Schieb, employed at the 4508 to 4510 E. Fishers 2714 Nameoki road, reported that an attempted burglary had occurred there while she was out to lunch on Tuesday. She said someone had broken the window out of the rear door but there was no entry.

Four Boys Arrested

Four boys, 11, 12, 13 and 14, were arrested in a break-in at the Free Methodist Central Church, 22nd and State streets, at 10:30 a.m. Tuesday. The boys, who were spotted by an area resident, removed poppies from a refrigerator and stole a television set. Entry was gained by forcing a door.

A Granite City youth, 15, was arrested after about \$65 was taken from a juke box at the Wilson Park swimming pool pavilion at 8:50 p.m. Monday. The thief used the machine was forced open.

Auto Stripped

Sam Apponey, 51 Grenzer Homes, Madison, reported at 10:05 p.m. Monday that the generator, radiator, battery and three tires were stripped from his 1957 auto while it was parked in the yard at 1501 Edwardsville road where he previously lived.

Alvin Thompson, 1100 Calhoun street, reported to Venice police Wednesday morning that his 1960 blue four-door auto had been stolen from the rear of the city council on two occasions requesting the city to hire a private investigator to locate the car. He was offered a contract for brick work.

The council decided both cases continue with the present system of carrying out brick repairs with regular street department workers.

Street Supt. William Ward said the picket first appeared yesterday at 10:30 a.m. between Adams and Benton streets and was there again today. "He has not disrupted any work by the city," he said.

4 Burglaries Reported Today To GC Police

Four break-ins were discovered this morning in Granite City at a bowling alley, two in barber offices and an auto repair shop.

Burglars forced a door at Tri-Motor Bowl and smashed open a machine in the barber shop this morning. The break-in was discovered at 4:45 a.m. today by patrolling police. The coin box of the machine was empty and a number of packages of cigarettes was taken. A cabinet door behind the bar also was forced open, but it was not determined if any liquor was stolen.

Some used car lot offices along Nameoki road were entered last night or early this morning. Reports to police indicate nothing was stolen.

The break-ins were at the Like New Motors, 2310 Nameoki road, where the door was smashed and the machine was forced open; and at the Granite City Auto Sales lot, 3318 Nameoki road, where the door was smashed and the machine was forced open.

No Driver's License

Clarence H. Hoffman of a Kaseberg Park was charged with driving without a driver's license Monday at 20th and State streets.

Legionnaires Find To Err Is Human' — But It Loses Ball Games

American Legion Post 113 through errors made a gift of Monday night's game at Dupo, 6-2.

Wednesday's game against O'Fallon at Wilson Park was rained out. The local post's record is now 3-3.

Mascout will face the local team, Friday at 6 p.m. at Wilson Park. On Saturday, the Granite Cityans will host East St. Louis at 6 p.m. in Wilson Park.

Each of Dupo's scoring sequences involved a fielding error. With the on-off agility of GC fielders from game to game, the critical errors need no excuse.

No Wins There in 3 Years

Not included in the blame might be the always-taller-than-typical grass and GC's three-

season no-win record at Dupo. On three hits and two errors, Dupo tallied three runs in the bottom of the first inning. The batters' order was: a single, a bunt with an error, a sacrifice fly, a single, a sacrifice fly and third, and a single with an error.

In the second frame, GC showed promise. Roger Belshé walked and Don Rains knocked an RBI double.

Dupo notched a run in the third with a walk, a hit and an error, and tallied two more in the sixth on a double, an error and a single.

GC duplicated the method, scoring on the weakness of others in the last inning. Gary Simpson walked, Don Harris hit and Simpson crossed the plate on an error.

Mel Kenyon, Other Top Drivers to Race Here

Special auto races will occur Saturday and Sunday evenings at Tri-City Speedway, 5100 Nameoki road, and the Springfield International Raceway on Route 203 near Interstate 70 south of Springfield.

On Saturday at Tri-City Speedway on the half-mile dirt track, coupled with the quarter-mile track to form a "figure eight" track, Mel Kenyon, winner of last week's super-modified feature event, will return Saturday to Tri-City Speedway to attempt to repeat his win. Time trials are at 7:30 p.m. and races begin at 8:30 p.m.

SPEED MERCHANT

Chuck Wagoner, winner of last week's super-modified feature event, will return Saturday to Tri-City Speedway to attempt to repeat his win. Time trials are at 7:30 p.m. and races begin at 8:30 p.m.

GO TO CHURCH ON SUNDAY

Some of the drivers to appear will be Mel Kenyon, Bob Wente, Les Scott, Roger Branson, Merl Berthel, Mike McGreevey, Larry Cannon, Henry Pens and Don Meacham.

Merger to Host Red Sox, Credit Union Visits Collinsville

The Maryville Red Sox will play Mercer at 2:30 p.m. Sunday at Wilson Park. Both teams lost their Inter-City Baseball League games last Sunday.

The Steel Credit Union, with a 1-6 record, won its first game of the season when it squeaked past Mercer's 6-5. — But a winning streak will be difficult, since Credit Union must meet first-place Monday Motors at 2:30 p.m. Sunday at Collinsville.

In the other league tilt, the Eastern League champions will face the Braves at Pocatonton.

League standings: Collinsville 5-2, East Alton 4-2, Pocatonton 4-2, Steel Credit Union 3-4, Credit Union 1-6.

**Five GC All-Stars;
Twinnall Saturday**

Despite the GC Steel Credit Union fast-pitch softball team's sixth-place standing in the eighth team Belleville League, five of the 17 all-star team choices are GC players.

Granite Cityans picked for the first team: Norm Grob, by unanimous vote for left field, 430; Bill Evans, for first base, 444; and Mike Sues, catcher, 428.

Second-team selections were Dan Endley, outfielder, 508, and C's manager-player Bob Patrick, for the outfield, 333.

With pitchers yet to be chosen, the all-star team will play league-leading Norm's at 2:30 p.m. Sunday on the southside grounds in Belleville.

At 7:30 p.m. Saturday, Credit Union will host L. K. Duncan of Pacific, Mo., in a doubleheader at Wilson Park.

Ralph Baker, a pitcher for GC when Credit Union won the St. Louis County Class AA League in 1968, will be one of the starting pitchers for Pacific.

In Time of Emergency People in Shelter Would Be On Own, But Could Manage

Persons in a home fallout shelter after a nuclear attack would be largely on their own. Unlike public shelter occupants, those in home shelters would have no one to depend on for food, clothing or other necessities.

It is likely that major problems would be managing water and food supplies, sanitation, fire prevention (and possibly even fighting), deciding when to leave shelter, and perhaps taking care of someone who was injured or sick.

Care and Use of Water

The average person in a shelter would need at least 1 quart of water a day for drinking, but more would be needed for washing, brushing teeth, and other personal hygiene. For each gallon of water used, 4 water-purifying tablets, 12 drops of tincture of iodine, or 8 drops of liquid chlorine bleach, if the water is cloudy, these amounts should be doubled.

There would not be much danger of drinking radioactive particles in water, as they would sink quickly to the bottom of the container or stream. A few drops of water would be enough to keep the water. Although open reservoirs might contain some radioactive iodine, a few drops of water would be enough to keep the water. Although open reservoirs might contain some radioactive iodine, a few drops of water would be enough to keep the water.

Food and Use of Food

Food also should be rationed carefully in a home shelter, to make it last for at least a 2-week period of shelter occupancy. Usually, half the normal intake would be adequate, except for growing children or pregnant women.

In a shelter, it is especially important to be sanitary in the eating, handling and eating of food to avoid digestive upsets or other more serious illness, such as food poisoning. Be sure to keep all food in covered containers, keep containers and eating utensils clean, and keep all garbage in a container outside the home when it is safe to do so. If possible, use a toilet outside the home when it is safe to do so. If possible, use a toilet outside the home when it is safe to do so.

Emergency Toilet Facilities

In many home shelters, people would have to use emergency toilets until it was safe to leave shelter for brief periods of time.

An emergency toilet, consisting of a water-tight container with a snug-fitting lid, for use as a toilet, might be a garbage container, or a metal can, or a plastic container. It should be as large as possible, and with a cover, should be available in the shelter to be used for later disposal. If possible, both containers should be lined with plastic bags.

This emergency toilet could be fitted with a hand pump, or a seat, especially for children or the elderly. The seat could be a regular toilet, which could be detached and used or a seat might be improvised. Turn a chair by cutting a hole in it.

Food also should be rationed carefully in a home shelter, to make it last for at least a 2-week period of shelter occupancy. Usually, half the normal intake would be adequate, except for growing children or pregnant women.

In a shelter, it is especially important to be sanitary in the eating, handling and eating of food to avoid digestive upsets or other more serious illness, such as food poisoning. Be sure to keep all food in covered containers, keep containers and eating utensils clean, and keep all garbage in a container outside the home when it is safe to do so. If possible, use a toilet outside the home when it is safe to do so. If possible, use a toilet outside the home when it is safe to do so.

Emergency Toilet Facilities

In many home shelters, people would have to use emergency toilets until it was safe to leave shelter for brief periods of time.

An emergency toilet, consisting of a water-tight container with a snug-fitting lid, for use as a toilet, might be a garbage container, or a metal can, or a plastic container. It should be as large as possible, and with a cover, should be available in the shelter to be used for later disposal. If possible, both containers should be lined with plastic bags.

This emergency toilet could be fitted with a hand pump, or a seat, especially for children or the elderly. The seat could be a regular toilet, which could be detached and used or a seat might be improvised. Turn a chair by cutting a hole in it.

Larry Graham to Coach Madison High Quintet

Larry D. Graham, 26, St. Elmo, Ill., was hired as 1969-70 Madison high school head basketball coach by the Madison board of education Tuesday night.

Graham also will serve as a physical education teacher at MHS. He succeeds Bob Page as varsity basketball mentor.

Graham, married and the father of two children, has wide experience in two of the leading high school basketball states—Indiana and Illinois.

During his years as a student at Odon high school, Odon, Ind., he was named to the all-state basketball team. His squad advanced to the semifinal round of the Indiana state tournament.

Graham attended the Vincennes University Junior College, Vincennes, Ind., and won all-conference selection in each of two years.

He then transferred to Texas Wesleyan College, Fort Worth, Tex., where he was elected as team captain and again was all-conference. He received a bachelor of science degree from Texas Wesleyan in 1964 and a master of science degree from Indiana State University in 1966.

Graham has been coaching for four years, including the past two at St. Elmo.

LARRY D. GRAHAM

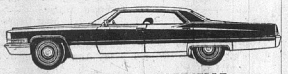

This spring, St. Elmo went to the finals of its regional before being defeated in the post-season state tournament eliminations; it bowed to Belleville East, one of the 1969 "Elite Eight" teams.

It was noted that Joseph Asperger will give up football and basketball assistant coaching duties at MHS after 15 years. He will remain a teacher.

Schalkham Running Around the Park, Around the Clock

Gus Schalkham, 19 Fontainebleau, began his hundred-mile jog at 1 p.m. today on several looping routes around the Granite City area.

To successfully complete his feat, he will be running all night, accompanied by a small band of friends riding bicycles or trotting with him in shifts.

These supporters, of whom he may not be conscience during the last 40 or 50 miles, will carry flashlights, water and radios and keep a record of the distance he covers.

Unusual Age Problem
Citing some of his problems before the attempt, Gus explained to the Press-Record this week that the biggest problem will be his age—19.

"They say, the older you are, the better you get in running. It's very unlike other sports, in which you start to decline when you get older."

He said with sincerity, "The first 30 miles will be easy."

To help break the monotony, five interconnecting circuits have been mapped, measured and tested.

For those who would like to see the "fleet footed fanatic" in action, Gus and the boys will pass the corner of Fehling road and State street after each loop.

This corner, near Wilson Park and Niedringhaus school, is also the finishing point.

Tri-City Wins With Late Nine-Run Rally

Branding's routed Miles Lab 17-2, Tri-City Cue blasted 9 & E Lumber 13-5 and Caton's beat the Steelers 11-8 in Southern division softball at Worthen Park Tuesday.

Miles Lab with a total of only three hits was unable to score until the last inning. Branding's scored in every inning, with Charles McMillan homering and Ron Branding hitting two doubles and a triple.

Cue's winning nine-run final frame included hits by Phil Boyer (3-4), Harold McCauley (3-4) and Dave Tutka (3-3, with a double and triple).

Caton's pushed across ten runs in the first frame, Ron Scarborough in four at-bats connected for a single, double, triple and home run. Mike Weller went 3-3, including a homer.

LOUISVILLE SLUGGER DISPLAY. Darrell Hasty (center) of the GC park district baseball league, is shown with one of Babe Ruth's bats, 42 inches long and 2 3/4 inches in diameter at the thickest part. Bruce Thompson (right), star SIU-SW pitcher and athletic director of the GC park district, is shouldering a bat Nap Lajoie used to win the American League batting crown in 1901, 1903 and 1904. E. A. Raiders, Has Beens Win With Raillies In Eastern Division

Diamond Plating crushed Jim Green Construction 16-1, the Raiders attacked Ralph & Charlie's 12-10 and the Has Beens edged Keith's Lounge Rebels 9-8 in Eastern division softball Monday at Worthen Park.

While Green had only a scattering of hits, Diamond gathered runs, aided by the 3-for-5 performance of Nick Petrillo, B. W. Wallace, Rich Wilson and Bill Pruet.

A six-run sixth inning put Ralph & Charlie's in the lead 10-9 but the Raiders rallied in the last inning. In the game, Rusty McGovern batted 5-4 and John Summers walked a homer while hitting 3-4.

In final inning jockeying, the Rebels scored a surprise five runs to lead but gave away the tying and winning runs on an error. Home runs were socked by Bill Birtley and Larry Melroy.

Youths in 200 Areas Hope To Qualify for GC Jamboree

In almost 200 Illinois communities, boys and girls between the ages of 10 and 15 are vigorously running and jumping their way to physical fitness this month.

They are striving for honors in their own version of the Olympics—the Illinois Junior Sports Jamboree.

Entered in local meets, at the first level of the statewide competition, the youngsters are vying for the honor of entering regional contests in 10 geographical areas beginning at the end of June.

Statewide Finals Here From each regional, a maximum of 58 first-place winners will emerge, ready to enter the state finals at Granite City Aug. 7, 8 and 9.

The Jamboree, now in its 14th year, is sponsored by the Divi-

sion of Community Services of the Illinois Youth Commission in cooperation with the Illinois Jaycees.

The Youth Commission provides leadership for the program on a statewide basis. Jaycee chapters conduct most of the local and regional meets with the assistance in many communities of schools, park districts and playgrounds.

In towns without Jaycees, the meets are conducted by service clubs or community committees.

No Cost to Children

One of the unique aspects of the program, according to Peter B. Bensinger, chairman of the Youth Commission, is that there is no cost for any youngster entering the meet.

The absence of regulations regarding costly uniforms or equipment and the lack of a registration fee make it possible for youth from any economic background to participate in the competition.

All regional winners—numbering more than 500 children—receive an expense-paid trip to the state meet as guests of the Youth Commission.

Health, Sportsmanship The IYC sponsors the Jamboree as part of its delinquency prevention activities.

The program provides a wholesome outlet for youthful energies, as well as encouraging an interest in physical fitness and sportsmanship.

Many high school athletic coaches have credited the Jamboree with developing a widespread interest in track and field, reaching children at an earlier year than most competitive sports events.

Summer Training Period Small towns and crowded city neighborhoods have benefited from the program, Bensinger said, since it provides for widespread participation among youngsters, some of whom might otherwise have little to occupy their time during the summer months.

Last year, 12 of the local meets were conducted in housing projects or "inner city" neighborhoods.

The "outstanding city" award went to Duvernon, a central Illinois community of 1000 which had nine finalists—all girls—at the state meet.

35 Events Scheduled Jamboree competition includes 35 individual events—dashes, long jump, high jump and baseball throw—and six relays.

The youngsters compete in three divisions: midgets (ages 10 and 11); juniors (12 and 13); intermediates (14 and 15).

Recognition won by the Illinois Jaycees for their involvement in the project has led to consideration of the Jamboree on a nationwide scale, Bensinger noted.

Members of the U. S. Jaycees are currently studying the program in terms of its adaptability for other states seeking constructive sports activities for youth.

Inter-City Session Here on All-Stars

All-star selections for the Inter-City Baseball League will be made Friday. The deciding committee will meet at 7:30 p.m. in the Knights of Columbus hall, Granite City.

The Inter-City all-star game will be played Sunday, July 6, at Troy, Ill.

On Friday evening, July 11, the Inter-City all-stars will meet all-stars of the St. Louis County League at St. Ann, Mo.

Two 15-Run Totals In Boys' Softball

St. Joseph CYO downed Mertz Laundry 9-5, the B & A Bombers stymied Spanky & Our Gang 15-4 and Kentucky Fried Chicken dressed down Mexican Honorary 15-3 in High School Boys' League softball Tuesday at Wilson Park.

The CYO turning point was in the fifth inning when St. Joseph rapped the ball six straight times with no outs. Runners were aided in advancing around the bases by three errors.

Bomber Jim Hagnauer pitched a one-hitter and, with the help of a double play, faced the minimum number of batters (2). Gordon Willis, Dan Kunne-

Consecutive 8-Run Innings Sufficient Momentum for Hook's

Hook's grappled with and overcame Local 16 by 17-7. Quad-City A's punched the American Legion 14-7 and Jacobsmeier's outdistanced Tony & Joe's 17-11 in Junior Pool 35 & Over League softball Monday at Wilson Park.

Hook's opening back-to-back eight-run innings on 16 hits and five errors allowed the team to coast for the remainder of the game. Local 16's Rex Buckingham homered.

Quad-City steadily collected runs while coping with the Legion's shotgun-style lineup of successful but scattered hitters. Contributing most to Jacobsmeier's 27-hit win were Joe Mikols and John Palchiff, each 4-5; Les McIlvoy, 2-2; and Ollie Jacobsmeier, 2-3. Gus Lignoul homered for Tony & Joe's.

Pfc Lindsey Re-enlists In Army in Vietnam

Army Pfc Gerald L. Lindsey, 19, son of Mr. and Mrs. Benton J. Lindsey sr., 4245 Highway 162, has re-enlisted for three years in the Regular Army in Vietnam.

Pfc Lindsey is assigned to Company B, 3d Battalion of the 196th Light Infantry Brigade's 7th Infantry. He entered the Army in April 1968, completed basic training at Ft. Leonard Wood, Mo., and was last stationed at Ft. Bragg, N. C., before arriving overseas in April 1969.

GCHS Mailing 280 Driving Permits Today

Lawrence McCauley, Granite City High school principal, announced today that blue permits for 280 students who completed driver training courses during the past semester are being mailed out from the high school today.

McCauley said there had been a delay at the state level, and that the high school office has been receiving nearly 30 inquiries a day.

Two young boys who suffered accidental injuries in falls Tuesday were treated at St. Elizabeth Hospital. Both were hospitalized.

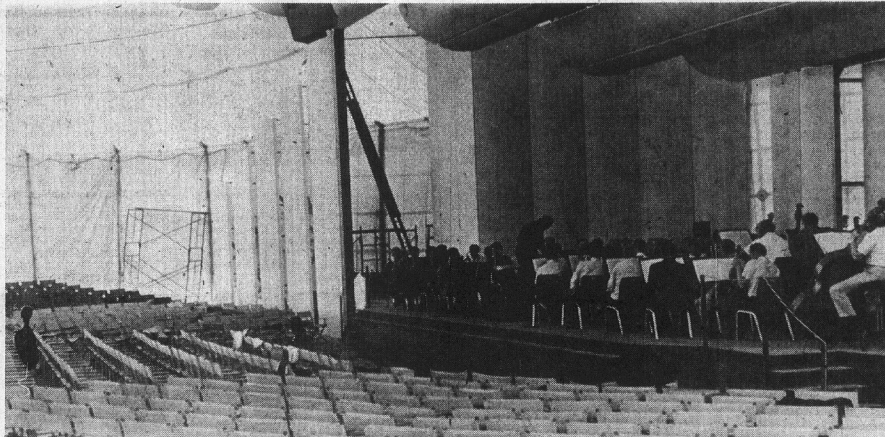

Admitted here was Richard Jones, nine, son of Mr. and Mrs. James Jones, 923 Iowa street, Madison, who dislocated his right elbow in a fall from his bicycle at 4:45 p.m. Tuesday.

The second boy, Trenton Bone, son of Mr. and Mrs. Charles Bone, 234 East 24th street, was transferred to Cardinal Glennon Children's Hospital, St. Louis, where he is undergoing tests.

The child, who was in a dazed condition when treated at the local emergency room, apparently slipped and fell on the porch at home, his mother said. Playmates gave conflicting accounts of the accident, she noted. The boy's condition is improving, Mrs. Bone reported.

Hit-and-Run Accident

A hit-and-run auto pulled out of the Nameoki Village shopping center onto Nameoki and struck the right side of an auto driven by Elaine E. Zotti, 4130 Braden avenue, at 4:50 p.m. Tuesday.

FIRST REHEARSAL UNDER CANVAS. In preparation for this weekend's opening concerts at the Mississippi River Festival, the St. Louis Symphony Orchestra rehearsed for the first time Tuesday in the giant Festival tent on the SIU-SW campus. Rows of

brightly-colored directors chairs are ready and waiting for more than 1850 persons expected to fill the immense canvas structure during the six-week festival.

SURPRISE RECEPTION FOR REV. CRADDOCK

Rev. James R. Craddock, pastor of Central Christian Church, was guest of honor at a surprise reception held Sunday in the church parlors.

The celebration was to allow church members to present their congratulations for his receiving a master of pastoral care degree from Eden Seminary in Webster Groves June 6. The reception had been kept a secret from the pastor until Delton Groothuis, church council chairman, issued an invitation immediately following the regular Sunday morning worship service for all present to join together in the church parlors.

Church women planning the event included Mesdames Mur- of Spangler, Joe Bilberry Jr., John Gordon, M. C. Reisinger and Wanda Groothuis.

The serving table was decorated in a graduate motif and was centered with a wig stand bedecked with a mortar board.

BARTONS RETURN FROM CALIFORNIA, WELCOMED

Mr. and Mrs. Emmett Barton, returned to Granite City during the weekend from their home in La Puente, Calif., where they were honored on Sunday.

Mrs. Barton had made her home in California for several years and her husband had divided his time between Granite City and California.

They will now make their permanent home with their son and his family, Mr. and Mrs. William L. Barton sr. and daughter, Patricia, 2428 Sunbury avenue.

Returning by bus, the Bartons made stops in Denver, Colo., to visit his sister, and Topeka, Kan., where they stayed for two weeks with their daughter and family and their granddaughter's family.

A joint "welcome home" and Father's Day gathering was held at the William Barton sr. home, attended by their children and their families, Mr. and Mrs. William L. Barton Jr. and William L. III, Diane and Linda, and Mr. and Mrs. Emmanuel Valencia Jr. and Christine Phillips.

Mrs. Barton Receives Call from Korea

Mrs. Marty D. Barton, 2309 Elm avenue, has received a phone call from her husband, Pfc Barton, stationed with D Battery, 6/89 Artillery, in South Korea on their second wedding anniversary. They have a son, Marty Dewann, nine and one-half months old.

Pfc Barton also talked to his parents, Mr. and Mrs. Ezekiel Barton, 4222 Highway 162. He has been in Korea since last November and will be stationed there until Dec. 6.

Support for Reservoir

United support for the proposed Oakley Dam and Reservoir project was explained to a United States Senate committee by Illinois Public Works Director William F. Cellini.

Cellini appeared before the Senate appropriations committee in Washington on behalf of Gov. Ogilvie to outline the terms of an agreement reached between state authorities, the city of Decatur and officials of the University of Illinois.

Under terms of the agreement, the level of the proposed dam will be lowered from 640 feet above sea level to 621 feet to prevent permanent flooding of Allerton Park, which is maintained by the university.

The project also calls for development of a "Green Belt" strip on the Sangamon river, below Decatur for recreation and conservation.

Hunters Pay \$40,244 Fines

Hunters cited for violating game laws paid \$40,244 in fines in 1968, according to John Rebuffoni, chief law enforcement officer for the Illinois Department of Conservation.

Violators of the state fish code were fined \$10,864. Fines collected for boating violations totaled \$12,485 and \$1763 was paid by visitors who disregarded state park regulations.

Rebuffoni reported that 3663 persons were convicted last year for violations of the game, fish and boating codes and for park law violations.

Moneys collected by the courts go into funds that must be used for conservation purposes.

County Fair Inspectors

Eight county fair inspectors have been appointed by John W. Lewis, director of the Illinois Department of Agriculture. Working under direction of the department's division of

SIU Board Meets Friday On Local Area Campus

The Southern Illinois University board of trustees will hold its June meeting Friday at 9:30 a.m. at the Southwestern campus.

Agenda for the meeting includes presentation of several planning maps for future capital improvements, and proposals for a revision of the civil service employee benefits program.

county fairs, the inspectors check each fair in regard to the number of livestock entered and other requirements involving state aid received by the fairs.

Ninety-five county fairs in Illinois receive grants from the Illinois Agricultural Premium Fund. Money for this fund is derived from a tax on betting at parimutuel race tracks in Illinois and does not come from taxes paid by the general public, Lewis said.

Insecticide Monitoring

The state Sanitary Water Board presented Gov. Ogilvie a proposed insecticide monitoring program for Lake Michigan and its tributaries in Illinois.

"The proposed program is the most comprehensive program for detection of pesticides in our waters ever attempted in Illinois," said Clarence W. Klassen, technical secretary, when outlining the program to the board.

The initial pesticide monitoring program will begin July 1 and will continue for one year. The program calls for use of muscels within Pettibone creek and the Waukegan river, two of several areas of the lake subjected to inshore currents.

Klassen said research has demonstrated that fresh-water muscels (clams) may be an effective sentinel system to detect large discharges of pesticides. Muscels are practically immobile organisms which pump large volumes of stream water through their bodies each day and feed upon particles filtered from the water.

June Drop of Fruits

Many trees have, this annual "June Drop" at this time of the year. This is the normal or natural shedding off of some of the fruits.

"June Drop" is associated primarily with a balance of nature. If too many fruits have set on, some will fall off so that the tree does not bear itself to death.

Other factors may cause fruit drop. If pollination was not complete, many fruits will hang on about this long before dropping. Insect injury will cause some fruits to fall. Weather can influence dropping.

Trees such as apple and peach that have a very heavy crop of fruit should be assisted with the June drop. Remove excess fruits so that there is 4 to 6 inches between those remaining. This will improve fruit size, color and quality at harvest time.

Bean Beetles are Severe

Many plantings of snap beans are being eaten by the Mexican bean beetle. Holes in the leaves are the first signs of the presence of this pest.

Auto Hits Guard Rail

An auto that crashed into a guard rail on County road at Bissell street was abandoned about 5:30 p.m. Tuesday. The driver was seen to walk away from the damaged car. Venice police traced the ownership to Jennie Bonds of St. Louis. The guard rail went into the left door, police said.

Eagles Auxiliary Chairmen Named

New chairmen and committees for the 1969-70 year were appointed during a regular meeting of the Eagles Auxiliary of Aerie 1128 Tuesday evening at the hall, with the newly installed president, Mrs. Helen Frazier, in charge.

The Auxiliary heard reports from the secretary, Mrs. Eleanor Hadley, and treasurer, Mrs. Leona Delaloye. A new member, Mrs. Pauline Stevens, was welcomed.

Mrs. Frazier announced that a Father's Day dinner originally scheduled for this evening has been changed to June 25 at 6:30 p.m. The Eagles quilting club will be in charge of the preparations, and the Auxiliary will serve.

Mrs. Angie Buehler gave a report on finance plans, and the following were appointed: Mrs. Buehler, chairman; and Mrs. Florida Batson, co-chairman, of ways and means; Mrs. Vera Hornych, membership; Mrs. Dolores Sanders, hospitality; and Mrs. Theresa Daigler, cancer fund chairman.

Proceeding adjournment, a social hour was enjoyed and prizes were awarded to Mrs. Marge Hall and Mrs. Sanders. Hostesses for the evening, Mrs. Frazier, Mrs. Sanders and Mrs. Nancy Mullin, served refreshments to 30 members. The next meeting will be June 24 at the hall.

Whittle Club Discusses Trip

Mrs. Jo Gipson presided at a weekly meeting of the Whittle By Whittle club Monday evening at the East Side Levee District building. The club pledge was recited in unison by the members.

Mrs. Rosalie Bronnauer, weight recorder, conducted a weigh-in. Mrs. Betty Young called roll, with members responding with weight progress during the past week and presenting new pledges.

Mrs. Sharon Bridick was presented with a charm bracelet. Mrs. Jo Ann Zotti and Mrs. Bridick were presented with charms.

A discussion was held on a pledge to be made by the entire club, with plans made for the members to give up ice cream and soda during the coming week.

Funds were collected for "a recognition day" in Springfield this fall, and will be collected during the next seven weeks for the trip. All were encouraged to attend.

Mrs. Peggy Hackney announced that a meeting will be held June 18 at 7 p.m. at the Cassville city hall for any men interested in joining a weight club. Barry Cabot, area captain Take Off Pounds Sensibly, will be present.

Mrs. Ruth Hubbard suggested a new contest, which the club voted to begin next week. The club will be divided into two groups and the group losing the largest number of pounds during the next eight weeks will be served a low-calorie luncheon by the losing team.

Mrs. Mary Free and Mrs. Sharon Bridick will serve as hostesses at next week's meeting. Miss Ruth Stover offered closing prayer. Attending were Mesdames Carmen Bridick, Sharon DePew, Gloria De Runtz, Blanche Kopic, Linda Miles, Maggie Rill, Norma Ruhl, Alberta Schubert and Jean Sekora and Misses Carol Gipson, Deborah Miles and Pat Stajduhar.

The next meeting will be at 7 p.m. Monday.

Among those attending were Rev. Edgar Russell and daughters, Rev. and Mrs. Browning and their family, Rev. and Mrs. Thomas Briley and son, Rev. and Mrs. Vernon Parker, Rev. and Mrs. Virgil Littlejohn, Rev. and Mrs. Sam Henson of Rock Hill, Mo., Rev. Bank Safety Vault Open for Inspection

An area of the First Granite City National Bank seldom seen by the general public or by a majority of bank customers is open for public inspection, a spokesman said today.

The area housing the bank's safety deposit section on a lower level is decorated with light green carpeting and brown-veined marble walls. The public may inspect the facility during banking hours, Monday through Friday.

Visitors will be greeted by Miss Granite City (Dottie DeWitt), who has been retained by the bank as receptionist and hostess for the summer months. She will continue her education this fall at the University of Missouri at Columbia.

Refreshments are available to those escorted through the safety deposit section, and an explanation of services offered by Miss DeWitt and Mrs. Elmina Trachsel, deposit attendant.

The local bank served as sponsor for Miss DeWitt in the weekend Miss Granite City Pageant and will continue to act as her patron for the Illinois state competition.

Earlier this week, bank officials presented the new beauty-talent queen with two dozen long-stemmed American Beauty roses and a complete set of dinnerware.

SIU-SW Square Dancers To Attend Convention

Square dancers from a Southern Illinois University Club have accepted an invitation to perform at the 18th National Square Dance Convention, June 26-27 in Seattle.

The group, part of the SIU Square Dancers Club of the Southern Illinois campus, is the only college group scheduled for performances at the meeting. More than 5000 persons have pre-registered for the conference.

Advisor for the group is Mrs. Myrna Martin, a member of the physical education faculty at the SIU-SW campus.

The group has performed at the Illinois State Fair, the Illinois Association Health, Physical Education and Recreation convention and for various area groups.

Financing for the trip has been by club benefits including car washes and bake sales. Now entering its second year, the club has a membership of 30.

Each month during the year the group has a public dance. One is slated for this Sunday at the University Center Ballroom, from 2 to 5 p.m. with Sparky Sparks as caller. The proceeds go toward travel funds for the Seattle trip.

Members going to Seattle include: Donna Lucy, Agnes Pineda and Paul Mills of Granite City.

Dear Jackie:

Hi, folks! It's been some time since my last column and I'm glad to be back. We've been busy moving Atkins Floor Covering to its new location at 17 Meadowlark Ct. and I can guess your first question, "Where in the world is that?" Just follow the map at the bottom of today's column and you'll be there in a jiffy!

Dear Jackie:

I have my washer and dryer in the kitchen. The other day a connection came loose and water ran into the dining room and covered a large section of our carpeting. Our problem is that the carpet just won't seem to dry. What can we do?

Soaked, Granite City

Dear Soaked:

Contact a good carpet mechanic and have him come right over. He'll loosen the carpet at the wall and turn back the section that's wet. With both sides exposed to air the carpet should dry quickly and then he'll reinstall it for you. For fast, reliable service, call 877-2068!

Speaking of 877-2068 (Here it comes, folks), That's our new phone number. We are listed in the Yellow Pages as 881-4000, but we won't have that number until some time in August. Call 877-2068 and take advantage of our free "Shop at Home" service. We'll bring our show room of samples right out to you at no obligation. It's fast, convenient and easier to choose carpeting with the sampler right there in your own home.

GC Jaycees Homecoming Starts Today—Runs 4 Days

A brand-new ferris wheel, plus two other rides, will spark the 1969 midway attractions at the GC Jaycees' "Homecoming" celebration which gets under way at 6 p.m. today in the rear parking area at Nameo Village shopping center.

Bigger and better entertainment extending over a four-day period is planned this year by the local Jaycees organization, according to David Partney, Homecoming chairman, who noted that music shows, featuring several well-known entertainers will be offered part of each evening.

Teenagers and others are invited to dance to the music groups which will be spotlighted from 7 p.m. to midnight today through Sunday.

A wide assortment of carnival rides and games will be available, with local organizations sponsoring booths offering a wide variety of food and beverages, including homemade ice cream, Mexican food, fish, and the usual outdoor fare.

In addition to the new ferris wheel, the midway operator has arranged a boat ride attraction for younger children and a fun-house, usually enjoyed by carnival-goers of all ages, Partney explained.

A special attraction Sunday evening will be an appearance by Miss Granite City—Dottie DeWitt—who will present her title-winning performance for homecoming patrons.

Richard A. Dawley, GC Jaycees president, said today the carnival will continue rain or shine. "We definitely need the proceeds from this one big project to back up the financing of all other community projects," he said. "We need the money to help fund the projects in some form or other," Dawley added.

Musical entertainment this evening features the J. Christ-

opher Blues Band and Mike Bessley's Band, both rock-style groups.

Friday and Saturday country-western music takes over, starting Don Carter and the "String Kings" and Art Davis and the "Soundies of Nashville," with Bob Houston as master-of-ceremonies.

Sunday night, "The Burlington Tote" will feature a local tenor combo, "The Creepers," and others will entertain.

Local groups sponsoring booths include: Boosters of the Fighting Warriors; fish; Mexican Honorary Commission, Tacos; Vacuum House, sweeper and rug displays; Kirkpatrick Improvement Association—Pepsi-Cola and sloopy jokes; Women of Organized Labor—two game booths; Boy Scouts—Seven-Up stand; Sons of the Legion—orange and root beer stand; Ponton Beach Teen Town—home-made ice cream; West Granite Youth Development—ice cream, "shake-ups," Mitchell Park Athletic Club—"dunkin' stand," Linenfeather—hot dog on sticks, and Guiliana Premiums—novelties.

Additional concession areas will be sponsored by the Jaycees and Jayceettes, including an open-air beer garden, Partney said.

GC Police

any council session, and a special budget session called late in May was poorly attended, with no action taken.

Discussing the police negotiations, Mayor Partney said he had proposed increases amounting to \$32 to \$37 a month, with the possibility of a 10% increase for all police officers, provided the state legislature approves a bill which would permit cities to levy a 10% tax for police protection—with or without a referendum.

The mayor added that Granite Cityans had refused to approve a police protection tax referendum over two decades ago.

Nonn said he would not go for a 10% pay hike for police, unless all city employees were given the same amount. "Every employee deserves the same," Nonn remarked.

Want \$150-Monthly Hike
The mayor said his offer included an added holiday—Lincoln's birthday, but that police also were seeking a holiday for individual birthdays. Their pay demand is for \$150 a month.

At the present time, a patrolman receives \$625 a month with longevity pay of 3% for 1 to 5 years, 4% for 5 to 10 years, 6% for 10 to 15 years and 7% for 15 years and over. The base pay for a police sergeant is \$850, while for lieutenants it amounts to \$970. The chief of detectives base pay is \$985; assistant chief, \$700 and police clerk, \$745.

In his tentative budgets the mayor has set the police chief's pay at \$10,100—about \$40 a month.

Robertson remarked he was not aware the mayor had made a proposal to the police union. "There's a definite lack of communications between the mayor and council," he added.

Alternate Suggestions
As an alternate suggestion, Whittier said various council committees could meet with the city department union representatives to get demands for presentation to the council.

Mayor Partney said this would not provide an adequate method with so many committees meeting individually, no one coordinating the effort. He again pushed for selection of a negotiating committee. He offered a post on the committee to Robertson. The alderman declined, saying he would soon be going on vacation.

A suggestion also was made by the mayor for the Finance committee to handle the negotiations, but it was noted the chairman, Moerlein, was on vacation.

Vote on Robertson's motion to file the police union letter was taken, with all aldermen opposing it except Robertson, who declined to vote.

"What do you want done now?" was the question posed by Partney. Dallas said, "Appoint another committee."

No One Will Serve
Partney replied that no one wanted to serve on it. Nonn said he had turned it down also because of the city expenses of sewer breaks and the tentative situation involving the new budget.

Partney called council attention to the depletion of reserve funds with the council's insistence on proceeding with special improvement projects that already this fiscal year amount to \$50,000, or just \$100 short of the \$50,000 proposed in the mayor's budget.

The financial reports for May, presented to the council Monday night by Comptroller Stevens and Treasurer Rich, showed a balance on May 31 of only \$38,246 in the sales tax account, \$47,492 in the tax commissions account and \$97,329 in the working cash fund.

\$140,000 Fund Transfer
Later Monday night, the council approved a resolution transferring \$140,000 to the maintenance of sewers account to pay for the costly sewer breaks.

Of the \$140,000 total, \$30,000 is being taken from sales tax, \$30,000 from the excess tax commissions and \$80,000 is being borrowed from the working cash fund. The city must repay the working cash fund when the first new tax money is distributed, but then it can be borrowed fund accounts during May rowed again.

City expenditures from general fund \$258,178, leaving a balance of only \$108,502 in the 23 operating funds—not enough for this month.

The one bright ray Monday night was notification from the state revenue department that the city's sales tax income for March is available, amounting to \$41,524. Also, the city is to receive \$28,018 as its motor fuel tax allocation for May.

Toxi, Auto Collide
An auto driven by James W. Helms, 2529 Delmar avenue, and a taxicab driven by Michael R. Householder, 321a Madison avenue, Madison, collided at 2:30 p.m. Monday on Nameoki road at the Coolidge junior high school.

Scott to Require Detailed Charity Financial Reports

Attorney General William J. Scott has ordered a "tight screening" of all charities that solicit funds in Illinois.

The attorney general said the screening will be carried out via a new financial report which, for the first time, will require all charities registered with the state to detail fully how they use the contributions of the public.

All charities operating in Illinois are required by law to file annual financial reports with the attorney general, but the new report forms now being distributed by Scott call for highly detailed breakdowns. The reports will show salaries, trip costs, conventions, conferences, professional fees, purchases, rentals, holding properties and all sources of income, grants and contributions, on through such lesser items as the costs of telephones, postage, printing, artwork and general office supplies.

Some Reports 'Juggled'

Attorney General Scott said: "In the past, there have been instances in which certain charities juggled their accounting procedures to produce a favorable public image in the annual reports."

"But we have found some of these images greatly distorted and, thus, the annual reports have been revised to bring about fair and full disclosure."

"We know, for example, that some charitable groups have delayed paying their creditors in order to make their bank balance appear healthier in the annual report."

And, in past years, it was not uncommon for some agencies to label the costs of fund-raising activities as public education, and convention trips and other travel as a program expense.

"There is no room for this kind of distortion in the charity field. The first obligation of any charity is to give the public maximum mileage from contributions."

46% Reaching Those in Need
Analysis has shown, however, that — on the average — only 46% of each dollar contributed in Illinois actually performs a charitable deed. The rest goes for administrative, fund-raising

and other expenses. I think our charities can do better than that."

The attorney general noted that the Illinois House of Representatives has passed and sent to the Senate a bill, introduced by Rep. Gerald Shea of Riverside, which would require charities soliciting in Illinois to spend at least 50% of their income on actual charitable activities or face review action by the attorney general.

Scott continued, "This kind of legislation, coupled with our new full-disclosure reports, could go a long way toward upgrading the performance of all charities in Illinois."

"I don't think it's the government's role to say that one charity is better than another. But it is our job to remove distortion from the charity picture and to determine the facts so that members of the public can judge for themselves which charities they will support."

1238 Agencies in State
"There are 1238 charitable organizations and agencies registered to solicit funds in Illinois today. In the last two years alone, the number of charities has increased at the rate of four a week."

"Many of these are small, or local, charities. But because of intense competition for the charity dollar, the whole charity picture is becoming somewhat blurred and it is increasingly difficult for the public to know which charities are truly worthwhile."

Scott said the complete list of the 1238 registered charities is being revised for distribution to the county state's attorney in all 102 counties of Illinois.

"We are working toward the day when any resident of Illinois in any county can make a local phone call to his county state's attorney or to the attorney general's office and find out which charities turn in the best performances."

Scott said that general information on Illinois charities is already available in both the Springfield and Chicago offices of the attorney general. A special "Hot Line" phone number — 527-5000 — has been established in the Chicago office solely to answer public inquiries.

Henley at Million-Dollar Roundtable

Raymond L. Henley, local life insurance agent who represents Connecticut Mutual Life Insurance Co., is attending the annual meeting of the Million Dollar Round Table in Hollywood, Fla. This is the life insurance industry's foremost educational conference.

More than 2000 members of the 7500-member Round Table, representing nearly 350 life insurance companies, are participating in the week-long exchange of information and ideas, often called the industry's "forum par excellence." The meeting began today and

Flarepot Turned Over

Firemen were called about 5:40 p.m. Wednesday to 24th street and Grand avenue where a flarepot had been overturned at a barricade blocking the street. Firemen said someone had placed it back in proper position before they arrived and there was no loss.

will continue through June 24. Technical sessions will include panels, workshops, and evening "room-hopping" meetings, cover a variety of advanced aspects of business insurance, corporate and private pension plans, client financial planning, and personal and office efficiency.

NEWCOMERS to St. Elizabeth Hospital are David Wallace of Joliet, selected for a 10-week medical student job-education project, and Sister Bernardino, an Ursuline sister from Kerala, India, who began her year of residency in hospital administration, a requirement of St. Louis University for a master's degree.

Hospital Selected For Job-Education

St. Elizabeth Hospital is one of 25 in the state selected to participate in the Illinois medical student job-education project. The project is co-sponsored by the Illinois chapter of the American Academy of General Practitioners, the Illinois Hospital Association and the Illinois State Medical Society in cooperation with the Illinois chapters of the Student American Medical Association.

2 New Teachers Are Hired by Madison Board

The Madison board of education employed two new classroom teachers and accepted resignations from two teachers and an aide during a regular meeting Tuesday night. Submitting resignations were Mrs. Tamara Chernoff, fourth grade teacher at Louis Baer school; William Coop, social science teacher at Madison high school; and Mrs. Mary Terrell, an aide at Blair school. Employed were Ronald D. Davis of Madison as a mathematics teacher at the high school and Miss Christie Marie Heinz as a teacher of educable handicapped at Harris school. Both were graduated last week from Southern Illinois University's Southwest campus.

George Hopkins was transferred as a Madison high school teacher to Louis Baer school, where he will teach the fourth grade. Raymond Dragich, school superintendent, reported that summer school and work programs are under way or will begin next week. Summer Building Work He also reported that new windows will be installed at Dunbar and the junior high school during the summer, and that a new warehouse-garage at the rear of the board office is nearly completed. The superintendent was authorized to prepare the tentative budget and appropriation ordinance for the 1969-70 school year for approval at a regular meeting of the board at 7:30 p.m. Aug. 21. Final adoption of the budget and 1969 tax levies is set for 7:30 p.m. Sept. 23. He also was authorized to act as official representative of the board and to apply for participation and sign agreements in the following programs for the 1969-70 school year: Special Programs State of Illinois special education program - school social services, speech correction, physically handicapped, Area 1 special education district (Granite City, Madison and Venice), educable mentally handicapped, partially deaf and blind, cooperative programs with other school systems and the gifted program.

Federal programs covering Project Uplift, the library, social science, mathematics, foreign languages and the language arts, guidance and vocational education, including home economics, all phases of industrial shop, special needs, business education and work study programs. Continued cooperation with the state superintendent of public instruction and the Illinois Public Aid Commission in their open for adult basic education also was authorized.

Mrs. Nina McMullen, 49, Dies Wednesday

Mrs. Nina S. McMullen, 49, of 1008 Third street, Venice, wife of Henry McMullen, who is manager of the Venice-owned McKinley Bridge, died of cancer at 5:35 a.m. Wednesday at St. Elizabeth Hospital. Mrs. McMullen had been ill three months and a patient at the hospital for three months. She was born in Japan and lived here 19 years. She was employed as a secretary at the Granite City Steel Co. offices for 18 years. Mrs. McMullen was a member of the First United Presbyterian Church of Granite City and the Venice Women's Club. In addition to her husband, she is survived by a stepson, Kenneth R. McMullen, who is in the Navy with Long Beach, Calif., as home port; her mother, Mrs. Barbara Shneyrovoff of Berkeley, Calif.; and three sisters, Mrs. Rawleigh (Kathryn) Peters of San Pablo, Calif., Mrs. Fred (Natalie) Blake of Alamo, Calif., and Mrs. Dan (Jean) Stewart of Rochester, Mich.

Traffic Signal Charge Jack L. Mefford, 5107 Mary-second street, was broken by traffic signal violation charge at 6:30 p.m. Monday at St. Clair avenue and Edgewood drive.

Vandals Damage Auto The windshield in an auto owned by Clyde Disch, 1518 Second street, was broken by vandals after 8 p.m. Tuesday, he reported to police at 10 p.m. The car was parked outside his home.

SOCIETY

Installation Ceremony

The Officers and Civilian Wives Club of the Granite City Army Depot met Wednesday in the Laceranda Room of the Officers Club and installed the following new officers:

Mrs. Ned R. Dickson, honorary president; Mrs. Jamie Hamrick, president; Mrs. Stephen Hayes, first vice-president; Mrs. Michael Kuhna, second vice-president; Mrs. Brian Ireland, recording secretary; Mrs. Lewis Raina, corresponding secretary; Mrs. Bruce Barker, treasurer; and Mrs. Leonard Cuchna, parliamentarian.

Also named were the following committee chairmen, Mrs. Elmer Ebrecht, ways and means; Mrs. Marco Maraccia, program; Mrs. Charles Chapman, welfare; Mrs. Thomas Burns, publicity; Mrs. Gary Roberts, reservations; and Mrs. Albert Heeger, thrift shop.

Luncheon was served in the ballroom at 1 o'clock at tables attractively appointed. The head table held arrangements of snowballs and other spring flowers, together with lighted candles in crystal candelabra. Favors were small mottos on easels.

The speaker of the day was Dr. J. Barry Jones, a teacher at Assumption high school and the Police Academy, who discussed hand writing analysis.

Mrs. Ireland was winner of the door prize. The new officers will be in charge at the next meeting, a coffee, July 2.

TENT 90 DUV HEARS CONVENTION REPORT

Members of Tent 90, DUV, heard a report of the recent Department convention last night at a meeting in the home of Mrs. Marie Boyd on Denver street. Mrs. Augusta Munsterman represented the local Tent at the meeting in Chicago.

Mrs. Gussie Cheatham reported on the Memorial Day service at the city hall, and the placing of flags in memory of deceased members. In keeping with Flag Day, Mrs. Cheatham, patriotic instructor, gave a reading by Dr. S. D. DeLore, and there was a poem "The Patriotic Creed" by Edgar A. Guest.

Plans were completed to send a box to Vietnam and after the business hour there was a social hour. The next meeting will take place in the home of Mrs. Chatham, 1733 Third street, Madison.

DAV HOLD SOCIAL MEETING

A social meeting of the DAV Auxiliary was held Wednesday evening at the DAV hall.

The birthdays of Mrs. Helen Miller, Mrs. Alta Carpenter and Mrs. Rita Craycraft were observed and prizes in the games were won by Mrs. Ruth Nuhns, Mrs. Ruth Hale, Mrs. Dorothy Best, Mrs. Jessie Grivas and Mrs. Louise Schliff. The special award went to Mrs. Irene Hoelter.

Others present were Mesdames Lillian Heffery, Vivian Craycraft, Bertha Kichler, Dorothy Rittenberg, Ruth Elmore, and the hostess, Mrs. Marie King.

The next meeting will be held July 2.

Don't judge a man's future by his past—experience may have taught him a lesson.

Junior Service Summer Plans

Mrs. Marilyn Bodman, 3301 Princeton drive, was hostess Monday evening to the June meeting of the Granite City Junior Service club. Prior to the business session, a pot luck dinner was enjoyed.

Mrs. Audrey Jaros, president, introduced Mrs. Della Pauly, sponsor, to the newest members, and probationary members. Carol Tritschuh gave a financial report.

Five local children needing eyeglasses have been furnished them by the club, it was noted.

Mrs. Phyllis Stieb reported that 54 members and guests attended last month's mother-daughter banquet and that 18 members made a trip to Scott Air Force Base to present the hospital there with a portable television.

Mrs. Sandy Tilkins reported that the Granite City club will have a float in the Collinsville club's parade July 18.

Mrs. Mary Noeth, chairman of the "night out" committee, reported that the club will attend the Municipal Opera production of "Guys and Dolls" Aug. 5. Park bus transportation will be utilized. Cost per person will be \$4.25.

Mrs. Mary Schaffner reminded members of the club's annual flea market Saturday, Sept. 6. Donations will be accepted, and donors may contact Mrs. Schaffner at 877-4204.

Mrs. Marge Pennell read a letter from Executive Officer R. A. Hord of Company C, First Battalion, 7th Marines, stationed in Vietnam, telling of their needs. He requested for his men paperback books, instant food mixes, tobacco, clear contact paper and Scotch tape. The club plans to send a supply of these items to the Marines, who are stationed in the field. All supplies must be affiliated to them.

Charles Hoekstra, Retired Farmer, Dies Wednesday

Charles F. Hoekstra, 88, of 1009 Bremen avenue, died of an apparent heart attack about 2:30 p.m. Wednesday when he collapsed in a chair at home. He was pronounced dead upon arrival at St. Elizabeth Hospital.

Mr. Hoekstra, a retired farmer, was born in Nazareth township and was a lifelong resident of the local area. He was a member of St. John United Church of Christ.

Survivors include his wife, Mrs. Mary Hoekstra; two sons, Roland and Raymond Hoekstra, both of Granite City; a daughter, Mrs. Harvey (Florence) Linkman of Granite City; two brothers, Edward Hoekstra of Wood-River and John Hoekstra of Bethalto; two sisters, Mrs. Mamie Wachter of Madison and Mrs. Esther Duval of Alton; three grandchildren and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

LEAVES FOR WASHINGTON
Pvt. Thomas A. Delaloye, who has been stationed at Aberdeen Proving Grounds, Md., spent the past two weeks with his parents, Mr. and Mrs. Herman Delaloye, 2883 Washington avenue, while enroute to a new assignment at Fort Lewis, Wash.

Mrs. Linda Salich won this month's homemade article of Greek cookies made by Mrs. Marion Wright.

Lending Law Interest Statement Explained

The requirement of an annual percentage rate on loan forms under "truth in lending" laws effective July 1 was discussed by Harry Thebeau, Madison insurance agent, in a talk at yesterday's Madison Rotary luncheon at the city recreation center.

Each rate will be not quite twice present rates, due to taking into account that it is applied to the full amount but that the unpaid balance is steadily reduced.

However actual dollar charges will remain the same and acknowledgment of the annual factor will not alter the effect of existing legal interest rate limits, the club was told.

Chairman William Mesi reviewed the annual officer installation June 14 and President Will Radman presided. President-elect Richard Suss spoke briefly on a Rotary district officers' conference held June 11 in Jacksonville.

Council Board Dinner
Members of the executive board of the Cahokia Mound Boy Scout Council will welcome William R. Monical, new council executive, at a monthly dinner at 6:30 p.m. next Thursday, June 26, at the Rose Bowl.

Disorderly Crowd Disrupts Traffic In North Venice

Venice police were dispatched to Weaver and Douglas streets at 7:30 p.m. Wednesday on a report of a large crowd of loud and unruly persons standing in front of Garrett's tavern interfering with traffic on the street. Several autos were damaged.

Police advised the group to go inside the tavern or leave the area, but several refused to do so. Police drove around the block and again asked them to leave, but they again refused. Later the group slowly started moving out of the area. One of them threatened to strike Officer George Rhodes, and when the policeman tried to make an arrest, the man broke away and ran south on Weaver toward an alley. Rhodes fired a shot in the air but to no avail.

At 8:25 p.m., four Granite City youths reported at the police station that while they were riding on Weaver sightseeing the windshield of an auto driven by Cynthia Ward, 719 Twenty-seventh place, was knocked out with a soda bottle.

Cordell W. Powell, St. Louis, reported that a beer bottle went through the left side of his window and cut the car seat, and Dan Brooks, 1821 Ferguson avenue, reported that a brick was thrown through the windshield of his 1962 auto and the left rear door was dented at 11:20 p.m. Both were driving on Weaver headed for the Dow Chemical Co. plant.

Badgely, James Bailey, Thomas Butler, Francis Foley, Clayton Ford, Ted Gaten, Marvin W. Goldenbergh, Wetzel Harness, Edward Holzweg, Warrington Hudlin, Earl Jukes, Fred Kern, G. W. King, Rev. William Koehler, State Rep. James G. Krause, Edward G. Maag, Alton Mayor Eugene Moody, Charles R. Robinson, Stanley Spehn, Walter Thomas, Ralph Walker, Thomas Wangelin, William F. Winter and Mrs. Wyvetter Young.

She is survived by a daughter, Mrs. Edna Newton of Ferguson, Mo.; one grandchild and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

Mrs. Elsie Rine, 69, Former Resident, Dies

Mrs. Elsie Rine, 69, of Valley Park, Mo., a former Granite Cityan, died at 10 a.m. Wednesday in St. Joseph Hospital, Kirkwood, Mo., where she had been a patient for two days. Mrs. Rine had been in failing health for six years.

She was a native of Anderson, Ind., and lived here before moving to Valley Park about 19 years ago. Mrs. Rine had retired as a clerk at the International Shoe Co. offices in St. Louis.

She is survived by a daughter, Mrs. Edna Newton of Ferguson, Mo.; one grandchild and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

PLENTY OF SUPERVISORS for storm sewer construction crews who are now working in the Kirkpatrick Homes area.

Farm Column

By WARREN W. BUNDY
Madison County
Extension Adviser

Crops in County 'Good'

Crops in Madison county are generally good. Wet weather delayed early spring field work. But farmers spent long days in the field with large machinery, and practically all the corn and beans are now planted.

Soybeans in many fields are slow in coming up. Some fields were cloudy at planting time, and others crusted from heavy rain after beans were planted.

Most stands of corn are good. Don't re-plant corn at this date unless the stand is below 10,000 plants per acre.

Rotary hoe or harrow your fields if your herbicide isn't giving satisfactory control. The rotary hoe works best on weeds that are in the white stage or are just appearing at the soil surface.

In addition to killing weeds, rotary-hoeing slightly incorporates the herbicide and may improve herbicide control.

Row cultivation should be timed to control weeds when they are small. Shallow cultivation prevents root pruning and brings fewer weed seeds to the surface. If you banded the herbicide and it's working, put the fenders down to keep untreated soil containing weed seeds out of the row area.

Wheat heads are filling good. Except for Septoria which killed lower leaves on wheat plants earlier, this year's wheat crop is unusually free from diseases.

Most of the first crop of alfalfa hay has been cut. Several farmers sprayed alfalfa fields after the first cutting to control alfalfa weevil. Larvae of the alfalfa weevil will be present and easily found for several weeks yet, but the peak period for damage is over.

Aerial Spraying

Department of Agriculture officials will supervise aerial spraying in the Nameoki township area beginning this week for control of the Japanese beetle. This beetle is a serious pest of many agricultural and horticultural plants and trees and shrubs.

A total of four applications of either carbaryl or malathion will be made at 10 day intervals. Low-flying aircraft will do the spraying. All residents in the area to be treated are being contacted personally to inform them about what is being done.

Beeskeepers are advised to move their hives of bees out of the area. A similar control program in 1966 resulted in a 98 percent reduction in number of Japanese beetles.

Efforts to eradicate hog cholera in the United States continue to show progress. Hog cholera is at a very low incidence. Some hog cholera outbreaks in the past have resulted from vaccination.

A federal regulation effective July 1, 1969, prohibits the interstate shipment of modified live virus hog cholera vaccines. In Illinois the use of hog cholera vaccines will be prohibited the same date.

Two new alfalfa varieties that show some promise of being resistant to the alfalfa weevil may be seen at the U. of I. tour. The 16 research plots on the tour will take about two and one-half hours.

Lawn & Garden

WAYNE B. SIEFERT
Extension Ornamental Horticulturist

Turf Grass Disease

Leaf Spot and Melting out is the same disease but describes different phases of Helminthosporium.

Melting out seems very serious on occasional lawns as brown and purple spots on the blades and a brownish color to clumps or localized areas. This fungus often appears as the leaf spot, but has progressed to the melting out phase in some lawns. During hot weather these infected areas gradually turn brown similar to drouth. A close look shows the crowns and roots are brownish and dead. This is different from webworm where the plants are chewed off.

Control is difficult when the brown areas begin to appear. Do not try to revive the grass by frequent watering. The disease is favored when the leaves are wet for several days. Deep water occasionally to keep the grass growing. Maintain a good fertility level to promote growth of surviving plants. Plan to reseed in September with bluegrass varieties resistant to Helminthosporium. Use Windsor, Prato, Park or Pylking. Lightly rake the area to create a good seed bed. Use seed at 1/2 the normal suggested rate.

Flowering Peaches
Many flowering peaches and orchard peaches are suffering from peach curl disease.

Peach leaf curl causes the leaves to be curly, thickened and gray or dark colored. Complete leaf drop is common.

Summer sprays will not control the disease. Extra water and fertilizer during dry periods help to generate new leaves.

Gasoline Siphoned

An unknown amount of gasoline was siphoned from Tarpoft Packing Co. trucks while they were parked during the week-end at the meat plant, 1428 Edwardsville road, it was reported Monday afternoon.

Auto Battery Stolen

Barbara Woods, 2820 West 20th street, reported at 1 p.m. Monday that a 12-volt battery was stolen from her auto while it was parked on her driveway Saturday night.

same date. Swine offered for sale by the producer, or moving through livestock auction markets, or sold by licensed feeder swine dealers, or imported from other states, will be required to be treated with serum alone unless such swine were officially vaccinated with modified live virus within two years prior to date of such movement.

A grove day at the Agronomy South Farm, University of Illinois, Urbana - Champaign, is set for Thursday, June 26. The first wagon-train tour will start at 7 a.m. Research work in progress and practical demonstrations related to agronomy may be observed at each of the fields.

Two new alfalfa varieties that show some promise of being resistant to the alfalfa weevil may be seen at the U. of I. tour. The 16 research plots on the tour will take about two and one-half hours.

Mississippi River Festival Opens Tomorrow at SIU-SW Campus

The Festival tent is up, the grounds, food service facilities, picnic and parking area are in readiness and thousands of bi-state residents will get their first look at America's newest major music festival tomorrow evening at Southern Illinois University-Southwestern campus.

The Mississippi River Festival will open Friday with the St. Louis Symphony Orchestra playing the first in a series of 18 weekend concerts. Walter Susskind, music director of the symphony, will conduct the entire series, featuring outstanding guest soloists.

On Monday, Tuesday and Thursday next week, three of the country's top folk, jazz and pop attractions will appear, starting with Buffy Sainte-Marie, one of the most sought-after folk entertainers who will bring her unique talent to the Festival stage on Monday evening.

Jazz Group Next Week
The world famous Modern Jazz Quartet will perform on stage Tuesday evening and on Wednesday night, Paul Butterfield will bring the "sound of Chicago blues" to the Festival tent via the "Butterfield Blues Band."

A Gala Pique-nique will launch the opening night of the Mississippi River Festival, with guests from both sides of the river served a cold buffet in French picnic baskets. Dancing to the music of the Barcelona Brass will be enjoyed on the SIU-SW campus mall. An atmosphere created by lavish and unusual decorations, and an influx of jugglers, organ grinders, sidewalk artists and flower vendors, will transform the local campus center to a delightful festive outdoor event in the traditional French style.

Charter cocktail buses will transport many pique-nique patrons from St. Louis to SIU-SW, and a number of special guests, well-known nationally in politics and cultural activities, are expected to attend.

The wives of the governors of Illinois and Missouri, Mrs. Richard B. Ogilvie and Mrs. Warren E. Hearnes, are serving as honorary chairmen of the alfresco affair. The public is invited to attend at \$7.50 per person, with an additional \$5 charge for transportation on the St. Louis cocktail buses.

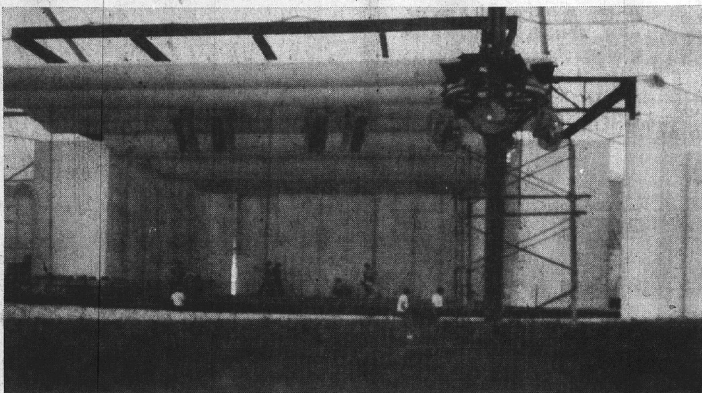

Symphony Concerts
The symphony concerts tomorrow and Saturday evening, which are identical in content, will begin at 8:30 p.m.

Four food lines will open two hours before curtain time on the Festival site. There will be two buffet lines and two snack bar lines also to handle 1500 persons. Two substations also will serve hot and cold beverages.

G. William (Bill) Crabb, director of SIU-SW food service, said this week that buffet serving lines will close 15 minutes before each performance, but snack bar and beverage service will be continuous.

In tribute to various composers whose works will be performed at the music festival, a different foreign main dish will be offered patrons of the buffet service each week.

Starting Friday evening with

SPACIOUS INTERIOR of the Festival tent, showing the specially-designed acoustical shell over the 108 feet long by 43 feet deep stage. Unique lighting, both outside and inside the gigantic tent, will provide concert-goers excellent visibility at the six-week-long entertainment series.

A variety of skillfully prepared German dishes, the SIU-SW chefs will follow in successive weeks with fare synonymous with the native lands of Russian and French composers.

Large Parking Area
Parking private automobiles should not prove difficult at the Festival site, although patrons are being asked to come early and avoid the last-minute rush. Space will be provided for parking about 2000 cars on flat grassland east of Lewis road in an area totaling over ten acres.

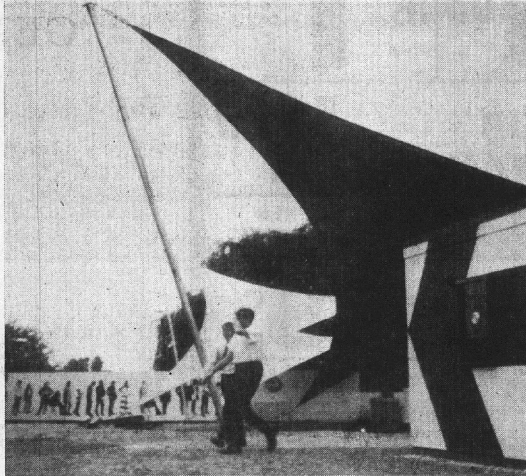

The parking plan also includes an area where passengers can be dropped off immediately across the road from the Festival entrance, and a shuttle bus road linking the Festival site with other University parking areas. Another 4000 vehicles can be parked at the campus academic parking lot, where shuttle buses will be used to speed concert-goers to the site.

Every entrance road to the huge, 2800-acre university complex leading to the Festival site will be well-marked by new metal signs and patrolled by one or more SIU-SW security officers. The security police will be equipped with walkie-talkies with which they can keep in constant touch, re-routing traffic if necessary to avoid major tieups.

The Festival site is located on a 18.25 acre gently rolling grassy wooded tract in the northwest sector of the SIU-SW campus. The area is a natural amphitheater and has been used previously for commencement exercises.

Best Local Route
Festival-goers from the Quad-City area can best travel to designated parking areas closest to the tent site by using Bluff road off Illinois 157 at Sunset Hills, to Poag road and along Poag to the junction of Lewis road.

A slight jog in the road, near

FESTIVAL ENTRANCEWAY. First nighters at the Mississippi River Festival tomorrow evening will pass through a colorful entryway of red and yellow canvas sails. Ticket booths are located at right of entrance and caricatures of artists and patrons decorate the long fence.

A white frame church at the SIU-SW campus entrance, should be followed to connect with Bluff road, rather than entering the university complex from the south. The latter route requires motorists to travel diagonally across campus, skirting administration and classroom buildings.

Reserved seating for 1800 persons will be available in brightly-colored directors chairs under the glittering festival tent. The sloping lawn area of the natural hollow provides informal seating for an additional 10,000 with an unobstructed view of the stage.

The attractive dining facilities featuring unusual and exotic foods, as well as more conservative fare at reasonable prices, are located adjacent to the Festival tent.

Tri-colored canvas sails mark the concession stand areas and large helium-filled balloons in varied colors will guide visitors to the tent itself.

Delicious Baked Goods
The Butterfield Blues Band, a legend that has become so strong that it has the Newport Folk Festival relaxed its ban on electronic instruments to invite the group. Jazz critics have predicted that Paul Butterfield will be the biggest star since Bob Dylan. The group records for Elektra Records and will perform here Thursday.

Other pop artists scheduled to appear in the next weeks ahead include Joan Baez, Richie Havens, Iron Butterfly, Joni Mitchell and Arlo Guthrie, Ian Tyson and Sylvia, among others.

Performances for all pop concerts is 8:30 p.m. Tickets for reserved seating in the Festival tent are available at prices ranging from \$5.50 for boxes to \$2.50. Lawn seating is \$1.50 per person.

Festival ticket coupon books, containing 325 worth of tickets for \$20, still are available at Quad-City banks. The coupons are then exchanged for reserved or non-reserved seats.

Hit-Run Auto Found

The auto of Frank Crook, 1615 Spring avenue, parked in front of his home, was struck by a hit-and-run driver after 6:30 p.m. Tuesday, he reported at 12:40 a.m. Wednesday. The getaway car was found abandoned and not drivable at Route 203 and Morrison road and was towed to a garage.

Cigarette Damages Auto

Mrs. Paula Pulliam, 21254 Delmar avenue, reported to police Wednesday afternoon that vandals had tossed a cigarette on the rear seat of her 1967 auto at it was parked for five minutes at 22nd street and Cleveland blvd. No estimate of the damage was listed.

Youths Damage Net

At Venice Lee Park

Venice police were summoned to Lee Park about 5:20 p.m. Monday when it was reported a gang of youths was wandering around the park and had damaged a volleyball net and then washed their feet in a fish pond.

The youths were questioned by police and released. Their ages ranged from 16 to 22 years.

Truck Skids into Auto

A truck driven by Charles W. Sampson, 2438 Illinois avenue, skidded on wet pavement into the left side of an auto driven by Jewell Hecker, 4708 Lake street, at 4:30 p.m. Tuesday at 1889 Pontoon road, Sampson at 22nd street and Cleveland blvd. No estimate of the damage was listed.

Theft Charges Dropped

Charges of theft of less than \$150 against Ricky Serrano, 17, of 1728 Maple street, and Mark Dwayne Skinner, 17, of 1602 Poplar street, were dismissed this week by Magistrate William Johnson who referred them to Coordinated Youth Services. They were taken into custody last Friday in connection with a motorcycle stolen from a Granite City Army Depot soldier. The cycle had been taken to the Skinner home by juveniles who were questioned by authorities, it was learned.

License Charge

A charge of operating an auto with improper display of state license was placed against Robert Prince, 2153 Edison avenue, who was issued an arrest ticket Wednesday evening at 21st street and Delmar avenue.

Driver Faces Charges

Henry E. Murphy, Rural Route One, was arrested on charges of unlawful use of a license (felicitous), driving while his license was suspended and careless driving at 7 p.m. Tuesday at Nameoki road and East 25th street.

Traffic Today

Anthony Todoroff, 3024 Marshall avenue, was issued an arrest ticket this morning on a charge of careless driving at Nameoki road and Jill avenue.

sr., mother of the prospective groom.

The young couple will be married Aug. 10 at the First Baptist Church in Murphysboro, home of the bride's parents.

Miss Crawshaw is teaching in the Granite City school district and Special-Five Branch is stationed in Vietnam. He is to be home July 23.

On Sunday afternoon, a Father's Day observance was held at the home of Mr. and Mrs. Vogeli and daughter, Ellen, 1809 Fourth street.

They entertained his parents, Mr. and Mrs. Elmer Vogeli sr., an aunt and uncle, Mr. and Mrs. Earl Vogeli, all of Collinsville, Mrs. Vogeli's aunt and uncle, Mr. and Mrs. Ed Ed-Ed of Granite City, and Mrs. Fay Little and Mrs. Lenna Williams of Madison. A barbecue was held and the men played outdoor games.

PHEBEAN CLASS TO HOLD BASKET PICNIC

Mrs. Ora James was hostess to the Phebean Sunday school class of the Madison First Baptist Church in her home, 1669 Second street, Tuesday evening. Mrs. Nell Montgomery, president, presided and the meeting was called to order with prayer.

Cards were signed for a number of 11 members. A card was received from Mrs. Edna Brown, a former class member who moved to Harrisburg recently.

Plans were made for a picnic July 15 at Wilson Park, with each taking a basket lunch.

Responding to roll call were Mrs. Veda Bolin, Mrs. Jewel Ratliff, Mrs. Nellie Poloske, Mrs. Myrtle McDowell, Mrs. Chloe Maxson, Mrs. Eula Lively and daughter, Brenda, Mrs. Ruth Hambrink, Mrs. Ruth Corwell and the hostess. Refreshments were served.

Sgt. and Mrs. Paul Ashford arrived Sunday to spend a week visiting her parents, Mr. and Mrs. Warren Smith, and Ashford's parents, Mr. and Mrs. William Ashford, all of Madison.

SINGALONG BY CLUB

Mrs. Yvonne Passig, president of the Ship Shape Tops club, met with the members of the club at Schermer's Civic Center. The pledge of allegiance and club pledge were given in unison.

Mrs. Marie Bryant, recorder, weighed each member. A new contest has started, with a number of teams competing. Members gaining weight were given penalties and those losing were honored.

The team winning the contest will have a dinner served in its honor. Mrs. Virginia Hobe was crowned queen of the week.

A singalong was held by Mesdames Jackie Gattung, Hazel Trotts, Betty Allen, Lorraine Gremmaud, Elizabeth Bucher, Barbara Kortha, Juanita Herne, Doretha Taylor, Beverly Lindsey, Olga Vizer, Wilma Large, Alice Baumberger, Johanna Collett, Pearl Kester, Kathy Dohal, Shirley Kingsley, Alberta Robertson and Geneva Hill.

The meeting closed with prayer.

DEPARTING PASTOR HONORED BY SOCIETY

The Women's Society of Christian Service met at the Little Chapel of the United Methodist Church of Madison Tuesday evening.

Soft music, vocal and instrumental, was played while slides were shown on the theme, "This is My Father's World."

The monthly meeting opened with prayer by the president, Mrs. Ann Ritter. During the business period, plans for a rummage sale were made; it will be held at 209 Madison avenue next week.

A "come as you are" party was planned for July. Mrs. Eva Clemens presented the lesson, "Look What Is Happening to Religion Today."

The pastor, Rev. Goodie Love, and his wife and daughter are leaving the Madison church to serve a church in South Carolina. Mrs. Ritter presented them with a gift from the WSCS.

Refreshments were served at a flower-centered table by the hostesses, Mrs. Esther Draper and Mrs. Ritter.

Those seated included Mrs. Thelma Black, Mrs. Erma Graves, Mrs. Hazel Reynolds, Mrs. Nova Sanders, Mrs. Mayme Vallow, Mrs. Barbara Radcliff, Mrs. Carol Freeze, Mrs. Velma Presswood, Mrs. Gisela Golt, Mrs. Cornelia Hommert, Mrs. Amanda Hill and Rev. and Mrs. Love.

Report for May

Birth, Death Rates Down; Weddings Up in County

Reporting on vital statistics for Madison county during May, County Clerk Miss Eulalia Hotz noted a slight drop in the birth rate, a large decline in the death rate and an upswing in the number of marriages.

Her report compares May of 1969 with May 1968. Last month, births numbered 279, including 140 boys and 139 girls and including two sets of twins; while in May 1968, the statistics showed 139 boys were born, 142 girls for a total of 281, including four sets of twins.

The death rate in the county dropped by 21, from 154 deaths recorded in May 1968, to 133 deaths last month.

Two-Minute Session For GC Town Board

In a two-minute town board session Monday night, Granite City council members approved disbursements totaling \$9487 for a two-week period.

Of the total \$5505 was for general assistance and \$2982 for town purposes.

CATCH BASIN CONNECTIONS being made at 22nd and Adams streets for Granite City's new

\$3,300,000 storm sewer system that is scheduled to be placed in operation later this summer.

Council Ok's Chuckhole, Curb and Catchbasin Repairs

A lengthy list of chuckhole and broken curb repairs was presented to the Street committee of the Granite City council Monday night by Mayor Parney, and approval was given for Street Supt. Warfield to undertake the work.

When questioned by Alderman Poulos, the mayor said the list was based on complaints received in his office, and that he had inspected most of the conditions.

"We've got thousands of those types of conditions in the Third Ward. I'm going to have all the people call you," Poulos told the mayor.

As the mayor had commented earlier in the meeting that wage negotiations with city employes groups was being hampered by the council's continuing program to use available general funds for special improvements, Parney remarked on the mayor's list, "This is the biggest economy move that's been made all night."

List of Repairs Repairs authorized by the

council were street holes to be repaired on West 25th street between Logan street and the alley and in the 2800 block of Charles street.

Curb repairs are to be carried out on the northwest corner of 19th street and Delmar avenue, the 1900 block of Niedringhaus avenue, at Madison and Niedringhaus avenues and in the 2900 block of Delmar avenue.

Improvements to the shoulders along 22nd street west of Adams streets also is to be carried out along with sidewalk repairs in the 2000 block of State street.

Repairs to catchbasins are to be made at 23rd street and Lee avenue and West 25th street and Missouri avenue. A drainage ditch is to be graded in the 2900 block of Nameoli drive, and sewer cleaning is needed in the 2800 block of Lynch avenue because of backup and odors.

A lone bid from Thomas Sherie Concrete Co. was received for curb and sidewalk repairs. The bid was accepted, listing \$4.95 per lineal foot for removal and replacement of

broken curb; 83 cents a square foot for four-inch sidewalk installation and 95 cents for six-inch sidewalk at driveways; and 88c for removal and replacement of four-inch sidewalk and 98 cents for six-inch sidewalk.

Accepted by the council was a two-year agreement with the state highway department which will pay the city \$1482-a-year for removal of snow and cleaning state highways through the city.

"It doesn't begin to cover the cost, but that's the best we've been able to do," the mayor commented.

Lot to be Appraised An appraisal is to be made of the value of a downtown parking lot developed by the downtown retailers and the city in the 1800 block of Edison avenue. The retailers want the city to pay a \$44,000 debt for development of the lot which is metered, but several council members have expressed opinions that the value set by the retailers is excessive.

The lot presently has meters requiring 10 cents per hour, and council members commented that if the meters would be changed to five cents an hour—the same as those along streets—the lot would be used by more downtown shoppers.

An opinion presented by City Atty. Scroggins advised the city it had no legal commitment on the purchase of the lot, but that the city had several available methods of obtaining funds to purchase property for off-street parking.

Approved was use of \$1000 sales tax funds to complete curbs for drainage on Maple street at Niedringhaus avenue. The project cost had been estimated at \$8000 and cost to \$6000, and \$1000 was needed to complete it properly, the city engineer advised the council.

The city attorney is to seek relocation of two utility poles at the alley entrance on 18th street between Edison avenue and

State street, where the 15-foot alley is narrowed to 13 feet by the poles.

Court Action on Weeds Court action was requested by Alderman Green for two areas in the Fourth Ward where weeds are waist high on property in North Granite and in the Briarcliff area. "These people have been told and should be taken into court if they don't do the job in a week. It's a shame for the city to do the job and have to pay for it until liens can be placed against the property," Green added.

On the advice of the city attorney, the council voted to pay a \$887 accident claim to an insurance firm, resulting from an accident July 27, 1968 at Wilson and Buxton avenues involving a city police car. City Atty. Scroggins told the council members that his office also is handling about one claim a week resulting in insurance payments to the city for damages to city property.

Authorization was given for purchase of a 55-gallon insect spray for the street department, and Alderman Boyd as Finance committee chairman was authorized to attend a meeting on city finances involving the state legislature set for today in Springfield.

Referred to the city attorney was an inquiry from Irene Broadway, 2019 Missouri avenue, on proper placement of a fence along a property line. Green pointed out many persons want to know the proper procedure.

Bishop Confirms Two At Episcopal Church

The Rt. Rev. Albert A. Chambers, D.D., S.T.D., Bishop of Springfield, paid an afternoon visit to St. Bartholomew's Episcopal Church this week at which time he administered the Sacrament of Confirmation to John Stephen Maeras, son of Mr. and Mrs. John Maeras of Madison, and John Wilbur Sturdevant, son of Mr. and Mrs. James Sturdevant of Granite City.

The two candidates were presented by Rev. Wilbur L. Lear, rector of St. Bartholomew's, who also officiated at the preliminary Service of Instruction. Bishop Chambers preached at the service on the word "Obey." The bishop was accompanied by Jon Hanshaw, a student at Nashota House, a theological seminary of the Episcopal Church in Wisconsin.

After the service, held at 4 p.m., the Episcopal Church Women, headed by Mrs. Albert Miller, conducted a brief coffee hour in honor of the Bishop and the confirmands.

Commercial freight movements through the Chain of Rocks locks and canal during May totaled 3,985,733 tons, an increase of 555,550 tons over April shipments of 3,440,183 tons, the U. S. Army Corps of Engineers reported Friday.

The May freight shipments were 32,782 tons less than the 3,928,065 tons of commercial freight moved through the locks in May a year ago. The report by Army Engineers who operate the canal and locks said a total of 5406 vessels passed through the canal last month, compared to 4914 in April, and 1006 lockages were made during May, compared to 890 during April. All of the freight increase was in upriver shipments which increased to 2,468,715 tons in May from 1,736,945 tons in April. Downriver shipments during

May fell to 1,427,018 tons from an April total of 1,703,228 tons. Coal shipments rise Principal increases were in shipment of petroleum products, coal and miscellaneous commodities. May shipments included: Petroleum products, 629,750 tons down;

upriver and 182,850 tons downriver; grain, 42,550 tons up and 1,005,850 tons down; coal, 1,001,400 up and none down; cement, sand and gravel, 19,900 up and 39,250 down; miscellaneous commodities, 407,731 tons up and 67,668 tons down; iron and steel products, 82,094 tons up and 86,410 down, and chemicals, 253,800 up and 42,490 down.

A total of 911 towboats and 4201 barges were locked through the canal during the month. Twenty-five passenger boats and 145 recreational boats also passed through the canal last month. U. S. government ships using the canal included 12 towboats, 104 barges and 22 patrol boats. May freight shipments increased to 15,921,006 tons the

total amount of freight to move through the canal and locks during the five months of this year, a decrease of 1,076,527 below the total of 16,997,525 tons locked through the canal during the same period a year ago.

\$72,997 Bill List

Ok'd by City Council

A bill list amounting to \$72,997 and sick leave benefits totaling \$986 for the first half of June were approved Monday night by Granite City council members.

Removed from the bill list at the request of Alderman Robertson was payment of \$810 to Paul Seebold Concrete Co. for razing two structures at 2330 West 23rd street. Robertson said the clean up work was not completed.

Major items on the bill list were \$4576 paid to Aetna Life Insurance Co. for employee hospitalization and life insurance premium for June; A. H. Seebold Co., \$441 for stone chips for the street department; Clarence Whitford, \$480 for weed cutting from May 20 to June 10.

Total payment for sewer maintenance amounted to \$1799, while \$25,778 was paid to A. H. Seebold Co. for work on motor fuel tax street projects.

H. W. Lochner Co. was paid \$694 for engineering and inspection services on the storm sewer project, and a payment of \$22,246 was paid to American National Bank & Trust Co., Chicago, for interest on sewer revenue bonds.

S/Sgt. Jack Miller With USAF Honor Unit

S/Sgt. Jack L. Miller, son of Mr. and Mrs. Ernest J. Miller, 722 North 28th street, is a member of the Aerospace Defense Command unit at Keflavik Air-Port, Iceland, that has received national recognition for proficiency in identifying Soviet bombers operating over the North Atlantic.

Sgt. Miller is an aircraft equipment repairman with the 57th Fighter Interceptor Squadron. The unit has received the Air Force Association citation of honor for outstanding contribution to the nation in maintaining around-the-clock surveillance of potentially hostile aircraft flying in the area. The AFA, a private organization of 100,000 civilian and military members, honored the squadron at its recent national convention in Houston.

Sgt. Miller is a 1965 graduate of Granite City high school.

Numbers Pose Problem For DL Applicants

Incorrect social security numbers shown on drivers license applications will result in the return of the applications to the applicants for correction, Secretary of State Paul Powell said today.

The social security system has provided the Secretary of State's office with the means to check the validity of the numbers submitted, and at present from 600 to 800 applications for drivers licenses are being returned each day because the numbers are incorrect or completely false.

This causes delay in the issuance of licenses and increases the state's postage expense, he pointed out.

The requirement that the social security number be shown on the application was enacted by the 1967 session of the General Assembly to enable Illinois to meet the National Highway Safety Standards, Secretary Powell said.

New County Building Totals \$1.7 Million

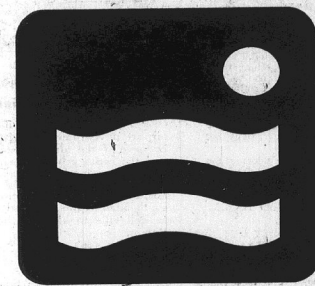

Values totaling \$1,723,139 were listed in 117 permits for new construction in unincorporated areas of Madison county during May, according to Jack R. Clifford, county building official.

Included were 62 for residences, \$1,201,972; 41 for additions and garages, \$73,467; four for business and commercial purposes, \$310,000; four for advertising signs, \$2700; two for miscellaneous purposes, \$35,000; and four for traze structures.

ILL. EAGLES AUXILIARY HONORS LOCAL MEMBERS

Approximately 350 auxiliary members and delegates of the Illinois Eagles attended a four-day state convention at Rockford.

Returning Sunday evening were delegates of the Aerie 1126, Mrs. Helen Lipchik, junior past president, Mrs. Helen Frazier, current president, Mrs. Eleanor Hadley, secretary, and members of the Eagleaires kitchen band, Mesdames Marge Hall, Florence Hagauer, Florida Batson, Irene Rickert, Ann Konopka, Dolores Klesh and Angie Buehler.

The band provided entertainment at several functions. Also attending from here were Mrs. Frances Stearn, past state president, and Miss Sylvia Roy, state trustee.

While there, the auxiliary members attended an initiation of new members, election of state officers, memorial services for sister Eagles throughout the state who had passed away during the last year, and a banquet at the Faust Hotel.

Mrs. Lipchik and Mrs. Frazier participated in the president's march in the grand ballroom of the hotel. Mrs. Frazier, who also served on the registration committee, and Mrs. Hadley, who served on the credentials committee, attended a school of instruction.

Mrs. Margaret W. Loughry of Carbondale was elected state president and was installed with her fellow officers preceding the closing session Sunday afternoon.

Mrs. Lipchik was awarded a membership trophy. Mrs. Vera Hornyak won honorable mention as cancer fund chairman, and Mrs. Frazier, publicity chairman, received honorable mention for the auxiliary scrapbook.

PROMOTED IN VIETNAM

Word has been received that Specialist-five Arthur E. Miller Jr. has been promoted to his present rank in Vietnam this month. He has been on assignment in Vietnam for the past nine months.

The serviceman is the son of Mr. and Mrs. Arthur E. Miller Sr., 225 Bluebird lane. He is married to the former Shirley Lungwitz, who is presently residing with her parents, Mr. and Mrs. Earl H. Lungwitz, 3112 Jill avenue, while her husband completes his overseas tour of duty. The young couple attended local schools.

SEEKERS CLASS MEETS AT COOK RESIDENCE

The Seekers Bible class of Grace Baptist Church held its June meeting Monday evening in the home of Mrs. Nadine Cook, 128 Voigt place, Mitchell. The president, Miss Gay Woodson, presided over the business session.

The meeting opened with the members repeating in unison the class motto and song, "Have Thine Own Way, Lord." Mrs. Linda Hogan, secretary, reported on the previous meeting. Plans were made to visit all members of the church.

The class discussed a "time of sharing" and the monthly devotionals was given by the president, who quoted a selection of Scripture and parts of "Hamlet." Next regular meeting will be at the home of Mrs. Judy Oellio, 1300 Moorland drive, July 21.

A fellowship hour was enjoyed and the hostess served refreshments to those mentioned and Mesdames Sue Berkhart, Frances Carey, Ruth Ann Dillard and Linda Hutchings.

Barber Shop Quartets, Choral Groups to Sing Here Tuesday

The second program in the "Music Under the Stars" summer concert series will be presented Tuesday evening, June 24, at 8 p.m. in the Wilson Park rink-pavilion recreation center, featuring several choral groups and area barber shop quartets.

The program is sponsored by the Granite City park district and is under the direction of Warren G. Simpkins, Granite City high school vocal music director. All programs are open to the public without charge.

Presenting the Tuesday night concert will be the "Music Under the Stars" junior high chorus, the "Music Under the Stars" senior high chorus, and two guest performing groups.

"The Choralers," a mixed choral ensemble originating in Collinsville and directed by Mrs. Wanda Klein and accompanied by Mrs. Pat Forsgren, will sing selections from "The King and I" (Rodgers) and "The Crawdad Song" (arranged Scott). Several Granite Cityans sing with the group.

Also featured as a guest performing group will be the newly formed "Mississippi Valley" Chapter of the "Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America" (SPEBSQSA). The group rehearses every Monday evening in Collinsville and is directed

Medical Reserve Ends Active Duty; At Scott a Year

The 52nd Medical Service Squadron, which includes a number of Quad-Cityans, received the Air Force Outstanding Unit Award for exceptionally meritorious service during demobilization ceremonies yesterday at Scott Air Force Base.

Major General Alonzo A. Townner, deputy surgeon general of the Air Force, made the presentation.

The 52nd was called to active duty in May 1968 and was assigned to the Military Air Force Command at Scott.

Consisting primarily of physicians and medical technicians, the squadron had served since then in the U.S. Air Force Hospital and the First Casualty Staging Flight at Scott, located near Belleville.

In addition to Gen. Townner, distinguished guests at the ceremonies included Major General Rollin B. Moore Jr., commander, Headquarters, Air Force Reserve; Brigadier General Harold F. Funsch, command surgeon, Military Air Force Command; Major General D. Cloyd, assistant to the Surgeon General for Reserve affairs; and Col. Glimmer Walker, commander of Scott Air Force Base.

Airlift, Reserve Officials

Also participating were Col. Robert Moeller, commander, 375th Aeromedical Airlift Wing; Col. C. C. Carmichael, representing the Fifth Air Force Region; and Col. E. F. Richard, deputy hospital commander, USAF Hospital, Scott.

The reserve unit has drawn high praise from General Howell M. Estes Jr., Military Airlift Command commander.

In a letter to the squadron commander, Gen. Estes said, "Your swift response in a critical time and the exceptional manner in which your personnel have fulfilled their responsibilities are indicative of their high state of readiness and ability to perform the mission immediately upon activation."

The squadron is commanded by Major O. Kay Smith Jr., a native of Martin, Tenn. Other members of the medical unit are from the Missouri-Illinois metropolitan area.

War Casualties Received

The citation accompanying the award related that the men of the 52nd during the past year "exhibited extraordinary dedication and devotion to duty."

The squadron was credited with augmenting the hospital and First Casualty Staging Flight "during a period of rising workload and declining personnel strength."

"The personnel distinguished themselves and their squadron by rapidly assuming positions of responsibility, maintaining exceptionally high quality of patient care, and quickly attaining an outstanding level of training."

"The humanitarianism, professionalism and selfless devotion to duty by members of the 52nd reflect great credit upon themselves and the Air Force."

VICTOR L. DARNELL

Darnell Announces Con-Con Candidacy

Victor L. Darnell of Edwardsville, formerly of Granite City, today announced his candidacy for delegate to the Illinois constitutional convention from the 3rd Senatorial District.

Darnell, deputy director of the Madison County Economic Opportunity Commission, said "the forthcoming convention offers a rare opportunity to solve problems long confronting the citizenry by updating the state's legal governing document."

"Much of the Constitution can remain unchanged," he said, "but some areas that are outmoded and expensively outdated should be revised."

Darnell advocates year-long sessions of the General Assembly, revision of the township form of county government to the county commission form (five equally apportioned districts) and lowering of the voting age to 18.

He said he would favor diverting some motor fuel tax funds into the educational fund to maintain school quality without raising taxes, would support revision and elimination of certain outdated state and county offices and remove the state superintendent of public instruction from politics.

Darnell was graduated from Granite City high school in 1957 and is a graduate of Southern Illinois University-Southwestern with a bachelor's degree.

He served three years in the Marine Corps as part of an elite honor guard assigned to Arlington National Cemetery and was honorably discharged in 1960.

He is married to the former Nancy Jargon of Beckenmeyer, a 1968 SIU-SW graduate currently teaching in the Alton school system.

Leatherman Honored By Venice School Board

Michael E. Leatherman Jr., former president of the Venice board of education for five years, who did not seek reelection to the board this April, was presented an inscribed walnut and brass plaque by President Leo A. Davinoy Monday evening.

In a brief ceremony during the board's regular meeting, Davinoy made the presentation and expressed the appreciation of the members to the former board officer.

Leatherman, employed as yardmaster at the Granite City Army Depot, was elected to the board for four consecutive three-year terms, being named by the board as its president on five separate occasions. He also had headed each standing committee and served as board secretary.

The plaque contained, in part, the inscription: "In grateful appreciation for 12 consecutive years as a member of the Venice Board of Education and as president for five years, during which his wisdom and experience guided the school district through a time of important and critical social change."

Under certain conditions, a school district was elected to levy the additional tax without referendum annually for up to five years.

It was estimated the increased rate would provide the Venice district about \$6000 per year. The current school tax rate in Venice is \$2.27.

A pickup truck driven by Peter Measki, 2042 Thirteenth street, struck a Granite City Steel Co. locomotive Monday at East 20th and Omaha streets. The engineer was Vincent Rozicki, 2909 Wayne avenue.

Lester Sumrell Crusade At Maryville Church

A Lester Sumrell Crusade will be held at the Maryville Assembly of God Church, Maryville, Ill., June 25 through June 26, at 10 a.m. and 7:30 p.m., except Monday.

The evangelist began missionary activities in the Orient at the age of 20 and has conducted crusades in more than 1000 cities of the world. He also built a number of churches in the United States. Rev. George O. Ankarlo, church pastor, has extended an invitation to the public to attend the services.

NAACP to Hold Annual Tea Sunday in Venice

The Madison-Venice branch of the NAACP will hold its annual tea from 4 to 6 p.m. Sunday in the Blair school multipurpose room, Meredocia and College streets, Venice.

The program will include memorial services for slain civil rights leader Medgar Evers.

Guest speaker will be Preston Ewing, president of the Cairo NAACP branch. Cairo has been the scene of recent racial troubles.

Also featured will be Mrs. Louise Simmons, director and owner of the Mildred Louise Business College, East St. Louis.

Tickets are \$1 in advance and \$1.50 at the door. Mrs. Phyllis L. Hayes is chairman of the event.

Do we really want peace?

We talk about it, plan for it, and hope it will come into our lives.

But, are we willing to work for peace in our own hearts — where real peace must be won?

Christian Science teaches that a healing, satisfying peace can be found if we are willing to find for ourselves the spiritual peace that comes from God.

Hear a public lecture called "Peace is Individual" by ROY J. LINNIG, C.S., an experienced Christian Science practitioner. Admission is free, everyone is welcome.

Miss GC of 1969 Preparing for State Contest

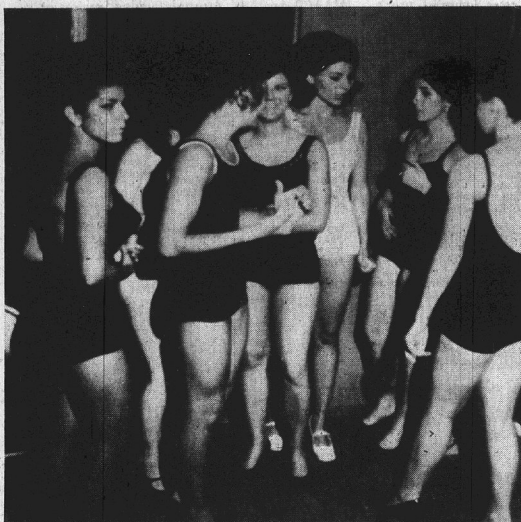

Although the Miss Illinois Pageant is still a month away, a radiant Dotie Carolyn DeWitt, who was selected Miss Granite City in pageant ceremonies here Saturday evening, is making preparations for her entry into the state contest July 20-26 at Aurora.

An opportunity to see the new beauty queen perform her title-winning talent presentation will be afforded area residents attending the Granite City Jaycees' "Homecoming" celebration on Sunday evening in the Namooki Village shopping center, according to David Parnery, homecoming chairman.

Richard Domitrovich, general chairman of the 1969 Miss Granite City Pageant, also given under the auspices of the local Jaycee organization, this week announced various gifts presented to Miss DeWitt and runners-up, Miss Lauren Kay Shelton and Miss Constance Rother, by local business firms.

These contributing gifts included Leader department store, matching beach accessories; Gantcheff Drug store, brush and comb set; Graham's Book store, pen and pencil set; J. J. Newberry and Franklin Union Furniture Co., transistor radios; Michel Jewelry and Gift Shop, Bennington Jewelry and Hudson's Jewelry, jewelry; Hub Drug store and W. T. Grant department store, cosmetics; Tops and Bottoms, Gilt's department store, Stephanie's and Daniel's shoe store, gift certificates; Factory Outlet, Rubenstein's, purse; Carp's department store, luggage; Woolworth's, picture frame; Cameo Beauty Shoppe and Neighborhood Hair Fashions, hair sets; Schermer Hardware, manicure set; P. N. Hirsch, blankets; and Granite City Rexall Drug, dusting powder.

During the pageant, sponsors of contestants were acknowledged by Domitrovich. They included Madison County Federal Savings & Loan; Granite City Bank, sponsor of Miss DeWitt.

CONTESTANTS CLUSTER in the wings of the Granite City high school auditorium stage in readiness for the swim suit segment, one of four appearances made by the eight candidates in the Granite City Jaycees annual beauty-talent extravaganza. The girls were introduced in formal attire and had presented their individual talents preceding the swim suit appearance.

Undergoes X-Rays

Mrs. Violet Soujoun, 49, of 2815 Roosevelt street, complained of pains in the rib area and underwent x-rays at 4:20 p.m. Monday at St. Elizabeth Hospital. The woman reported sustaining the injuries in an auto accident at 9:55 p.m. Saturday at 27th street and Madison avenue. She was released after treatment.

Speed Barriers Sought for Oaklawn Terrace

Petitions signed by 77 residents of Oaklawn Terrace subdivision calling for council action to halt speeding on the winding streets of the area were received Monday night by Granite City council members, who disagreed with the need for barriers.

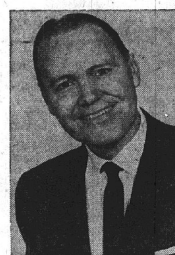

Alderman Parnery pointed out that liability would rest with the city if safety barriers were installed in the streets, should there be damage to a vehicle. "That traffic engineer had a couple of years ago tried to open residential streets as major thoroughfares and it was brought out then that the humps are not the answer," Parnery commented.

"It's the job of the police to slow traffic," he added.

Public Lecture Sunday By Roy J. Linnig

Roy J. Linnig, C.S., of Chicago will speak at 3:30 Sunday afternoon at First Church of Christ, Scientist, 2560 Delmar avenue.

The public lecture entitled "Peace is Individual," is open to the community. It will deal with the battle for enduring peace in the world and how it must be won individually.

Mr. Linnig was an executive with a national food supply company until a few years ago when he resigned to devote all of his time to the public ministry of Christian Science healing. He is currently on tour as a member of the Board of Lecturers of The First Church of Christ, Scientist, in Boston, Mass.

Four-Day July 4th Fete Planned at Wilson Park

A fireworks display at 9 p.m. on Friday, July 4, will highlight the annual festival at Wilson Park this year.

The four-day event, sponsored by the park district, will begin on Thursday, July 3, and will continue through Sunday, July 6. Another special attraction will be a carnival with rides and booths in the park July 3-6 and two teenage dances scheduled for July 3 and July 5 from 8 to 11 p.m. in the rink pavilion. No charge will be made for the dances.

Y., and West Philadelphia, Pa., to participate in a week-long Mission Program sponsored by the Armenian Church Youth Organization of America.

The mission began today and will continue through June 29 under the auspices of the Diocese of the Armenian Church located in New York. The Holy See of the Armenian Church is in Etchmiadzin, Armenia.

Mrs. Mike Petrosian of Granite City is serving as the local chairman of Mission Week in East St. Louis. Composing the missionary group in each parish are four disciples, ACTOA members, and a priest. Working in East St. Louis are Very Rev. Yeghishe Girilian of Detroit, Mich.; Sarkis Hardy of Fresno, Calif.; Karen Kashanian of Niagara Falls, N. Y.; Richard Nourigian, ACTOA Central Council Chairman of East St. Louis; and Patricia Yeghissian of Detroit, Mich.

Initiated in the summer of 1965, these Mission Programs, involving teams of senior-high and college-age youth, seek to create dialogue in the parish community on issues which will deepen the spiritual concern and enthusiasm of the parish. At the same time, these newcomers also seek to strengthen the commitment of the young people to serve the Church as well as their loyalty to the living Armenian Tradition.

An orientation program is scheduled for the initial three days. The Mission Program itself will be formally inaugurated by the celebration of the Divine Liturgy on Sunday, June 22, at Holy Shoghagat Church by Very Rev. Girilian.

For the remaining eight days, the disciples will engage in Bible study and group discussions, daily worship service, visitation to homes and hospitals, and consultations with leaders of the church organs. The emphasis is upon the strengthening of cooperation and effectiveness among the various groups within the parish unit.

Four Soldiers Fined After Pleading Guilty

Four Granite City Army Depot soldiers were fined \$100 Monday, but \$60 was stayed by Magistrate William Johnson and each is to pay \$40 plus \$10 costs, in connection with a generator which was stolen from an auto parked at a service station on Sunday.

They are LeGrand Choward, 26, and Terry Adams, 17, who pleaded guilty to charges of theft of less than \$150, and William J. Warman, 20, and Michael S. Balash, 20, who pleaded guilty to disorderly conduct. The four were caught placing the generator in another auto.

Mayfield Appointed To CD Office in GC

Appointment of an assistant civil defense director and commissioners for several city boards were presented to Granite City council members Monday night by Mayor Partney, and the appointments were confirmed.

Harold Mayfield, who has passed all state testing requirements, was named assistant CD director, effective July 1. He has been a long-time member of the city's civil defense organization.

A. E. Michel, local jeweler, was named chairman of the Zoning Board of Appeals to succeed David John, who asked to be removed from the board. Robert Wofford replaces John on the board, and Richard Kerch was re-appointed for a three-year term.

Named to the Air Pollution Control Board were William Krause and Sidney Womack, who were reappointed, and Mrs. Virginia O'Brien, who was named to fill a vacancy.

For the Electrical Board, Edw. Branding was named inspector, and appointed to the board were Warren Decatur, Roy Wilminz, John Petish, David Hayes and Fire Chief Earl Fronabarger.

Mrs. Lois Bowers was re-appointed to the Animal Shelter Board, and also named were David Partney and John Fornasewski.

Julian Smith was appointed plumbing inspector.

Mayors Invited to Discuss Airport Plan

Discussion of the proposed construction of a second major airport in the Illinois area of the bi-state metropolitan region is to be held Wednesday, June 25, in the Troy city hall. Invitations have been sent to mayors of all cities in Madison county urging them to attend the session.

Plans for the meeting were announced by Wendell Durr, city attorney of Troy and leader of a group which is seeking selection of a proposed airport site at Troy for location of the proposed Illinois airport.

State and federal aviation officials have surveyed the Troy area as well as the Lakeside Airport site between Routes 111 and 137 and selection of a site is expected to lie between these two locations.

Peace Corps Test to Be Held on Saturday

Quad-City area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 1:30 p.m. Saturday in Room 1719, Federal Building, 1520 Market street, St. Louis.

The Peace Corps uses the test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn language, not education or achievement.

The test requires no preparation and is non-competitive. An applicant can neither pass nor fail.

Persons interested in serving with Peace Corps must fill out an application, if they have not already done so, and present it to the tester before the test.

LeGrand Presented Gold Medal for Band Work

James LeGrand, 1618 Wilson avenue, is the recipient of a gold medal on the basis of participation in the University of Illinois concert band.

The award, presented by Prof. Mark Hindsley, director of U. of I. bands at Urbana-Champaign, is given to graduating seniors or graduate students. Gold medals are awarded for three years of services, silver medals for two years and bronze medals for one year.

Application forms are available at local post offices. Fifteen thousand volunteers are currently serving in Asia, Africa, Latin America and the Pacific Islands, working with the people of those nations in self-help projects ranging from food production to health to education. More volunteers are needed for programs which will begin training soon.

Indonesian Educators Complete Internship

Administrative practices at Southern Illinois University may affect reorganization efforts of the Institute for Teacher Training and Education in Djakarta, Indonesia.

Three of the institute's top administrators have completed a two-month internship at SIU, Carbondale. They visited the local campus last week.

During their stay at SIU, they were interested in general administrative practices, accreditation standards and library standards. They spent a great deal of time in individual consultations with SIU personnel. Besides the visit to SIU the trio also visited several other universities in the United States.

The men are scheduled to come early in July and will immediately take part in a reorganization seminar for their own school.

Checkerboard Squares Perform at Festival

Forty-five members of the Checkerboard Squares left Wednesday for Camdenton, Mo., to attend the Heart of America square dance festival.

It is their second year at the festival, and they are presenting exhibition dances today and tomorrow. Their caller, Shelly Boyd, is conducting two youth workshops along with her regular calling assignments.

Checkerboard staff callers Sherine Boyd, Jim Taylor and Gary Greene also have received calling assignments for the festival.

At an open house last week at the Madison recreation center the Checkerboard Squares were host to Midshipman Glenn Barrowman of the U. S. Naval Academy at Annapolis.

Midshipman Barrowman was a house guest of the Bob Boyd family, 30 Villa drive, and his visit was a result of friendships made when the Checkerboards presented a show at the Naval Academy during their East Coast tour in 1967.

The local group has a standing invitation to return to the academy to do another show, but heavy local commitments and limited finances preclude a long trip in the near future.

John F. Rehagen Will Attend Special Courses

John F. Rehagen, 16, son of Mr. and Mrs. Fred S. Rehagen, formerly of Granite City and now residing in Ionia, Mich., has been chosen by his school's English department to attend summer courses in editorial work at the University of Detroit.

John, who will be a high school senior next fall, will be an editor of his school's year book.

Most SIU-SW Graduates Have Jobs, Others Look

If any of the 894 June graduates at Southern Illinois University-Southwestern have the "better-late-than-never" attitude about job hunting, an extra pair of shoes would be a wise investment, according to the university placement services director.

David R. Van Horn, placement services director, says most of the June 10 graduates have firm job commitments, but the few who don't have a real surprise in store. "Most companies have already extended job offers," he stated, "and those who go looking now will probably set new job interview records."

At SIU-SW, students are advised to begin job hunting at least nine months prior to graduation. Most major companies send campus recruiters well ahead of proposed graduation dates. Last year, 366 firms visited here and interviewed 4161 students.

In addition, placement counselors establish appointments by phone and mail for anyone not interested in campus interviews. Still, according to Van Horn, indecision takes its toll on holdouts.

For the opportunists, graduation night means a walk across the stage and into a new job; for the holdouts, it means a walk across the stage and on to a door-to-door campaign.

Aardvarks to Play At Teen Town Dance

The Aardvarks, one of the top groups in the metropolitan area, will play at the YMCA Teen Town from 8:30 to 11:30 p.m. Monday.

The group has appeared at the "Y" on several previous occasions, attracting large crowds. The Moberg Shogren is scheduled to play the following Monday, June 30.

Leroy E. Gilbert, 2181 Harrison avenue, has received a fellowship in nuclear science and engineering from the U. S. Atomic Energy Commission and has selected the University of Illinois at Urbana-Champaign for his advanced study.

Financial Aid to be Cut at Eastern Ill.

Eastern Illinois University may be forced to curtail financial aid to students for the 1969-70 school year because of federal cutbacks in its basic support programs, Ross Lyman, director of financial aids, said today.

Of the four avenues of aid available to students, three are supported by U. S. government funds: Federal Educational Opportunity Grants, National Defense Student Loans, and the College Work-Study Program. Lyman said anti-inflationary budgetary restrictions have caused an overall reduction of about 28% in the three programs. The work-study program was the hardest hit, receiving about one-half of the funds requested.

Named to Dean's List

Miss Marilyn Jean Shepard, daughter of Mr. and Mrs. Bernard Shepard, 2422 Edison avenue, is among more than 200 students at Central Methodist College to be named to the dean's scholarship list for the spring semester at Central Methodist College, Fayette, Mo. She recently was graduated with a bachelor of arts degree.

String Conference Set June 26-28 at Campus

Shinichi Suzuki, world-famous violin teacher and founder of the Talent Education Institute of Matsumoto, Japan, will hold a string conference at Southern Illinois University-Southwestern campus June 26-28.

Designed primarily for violin teachers, students and parents of young violinists, the three-day conference is open to the public. All conference events, beginning with registration at 8:30 a.m. June 26, will be held in the Communications building theater.

Prof. John Kendall, director of the string development program, is one of the first American violinists to introduce Suzuki's listen and play technique to teachers in this country.

Westminster Graduate

William G. Kaseberg, son of Mr. and Mrs. Howard W. Kaseberg, Rural Route One, has graduated from Westminster College, Fulton, Mo., at its 118th commencement exercises. He received the bachelor of arts degree.

Space Battle Underway At Carbondale Campus

The classroom space battle that Southern Illinois University has been fighting for the past two decades is on in earnest again after the fiery destruction of Old Main building June 8.

Twenty-four teaching classrooms were wiped out in the fire and most had been booked for summer term classes. The classes have been reshuffled to other campus locations, according to Assistant Registrar Herbert Wohlwend, but the picture for next fall is clouded.

SIU expects a record enrollment on the Carbondale campus this fall (21,500 last year) and a search for additional class space was under way when Old Main went up in flames.

The fire has been officially attributed to arson and a \$10,000 reward fund has been established for an arrest and conviction in the case.

Openings Remain for Y Camp Counselors

YMCA Camp Director Chuck Hase has announced that openings remain for male counselors for the two-week camp program on Aug. 24-31.

The camp session again will be conducted at the Methodist camp site on Little Grass Lake near Carbondale.

Positions are available for four or five boys who have completed their junior year in high school. They are available for counselors-in-training (no pay), for junior counselors (\$30 for the two weeks) and for senior counselor (\$100 for the two weeks).

Interested persons may obtain applications from Hase at the "Y" youth office.

Three Receive \$100 March of Dimes Awards

Vicki Elizabeth Settlemyer and Margaret Ann Walck of Granite City and Judy Carolyn Johnson of Venice have received \$100 scholarship assistance grants from the Madison county chapter of the National Foundation, March of Dimes.

Miss Walck was a previous recipient of the award.

The foundation board this year set a scholarship fund of \$200 to be granted to boys or girls who plan to study various health careers. Funds for the purpose are made available through the annual March of Dimes campaign.

Named to Dean's List

Ruth Ann Cruse and Jerry Lee Lybrager, both of Granite City, were named to the dean's list for the spring quarter at Northeast Missouri State College, Kirksville, Mo.

3675 Attend 1st Week of Park District Program

The attendance of boys and girls participating in the first week of the Granite City park district's summer recreational program, according to Mrs. Helen Bjorkman, recreation supervisor.

Programs offering arts and crafts, free movies, games, prizes, Junior Olympic Games, free recreation swims, singing and storytelling are conducted daily at 11 playground centers in Granite City. Through the summer series, local children may also attend special trips to such places as the St. Louis Zoo and Grant's Farm.

Mrs. Bjorkman noted that each week there will be a special event on each playground with youngsters' enjoying games and "dress-up" days conforming to the theme of the week.

Prizes will be awarded to those children who participated in contests, with playground winners then eligible to compete in "Town Tournament," to be staged at the Wilson Park ice rink.

Tournaments Scheduled
Top-rated boys and girls in the midwest and junior divisions will compete June 27 at the ice rink pavilion for the "town" checkers championship, while July 8 has been set for the horseshoes tournament, the supervisor said.

Playground competition is divided into midwest (7-8), midwest (9-10) and juniors (11 and older). The summer program which runs eight weeks is open to all children residing in the Granite City park district, who are going into the second grade and through the sixth grade.

Twice-daily sessions from 9 a.m. to noon and from 1 to 3:30 p.m. Monday to Friday are held at Logan, Marshall, Washington, Wilson, Parkway, McKinley, Nameoki, Webster, Niedringhaus the Salvation Army and the Park district community center, 822 Niedringhaus avenue.

Children may enroll in the program at any time. Mrs. Bjorkman pointed out. If a child is attending vacation church school or is away on holiday with his family, he or she may join the program at a later date, she explained.

Special Days
Special days and themes scheduled for the eight weeks, include—first week—"Lollipop Day," with a box lunch; second week—"Button Day;" third week—"Prospector Day;" and "Hobo Day;" fourth week—"Beach Party;" fifth week—"Space Week," with an ugly man and woman contest; sixth week—"Olympics;" seventh week—"toy auction;" and eighth week—"Playground-A-Go-Go."

Playground tournaments for midwest are bean bag toss, jar ring toss, clothes pin pull, bottle cap toss, ball throw, rope jump and hop scotch.

Midget tournaments include checkers, bowling, horseshoes, marble golf, croquet, jacks and four squares.

Contests arranged for junior-age participants, include horseshoes, checkers, box hockey, kikit and special games.

Lollipop Special
Winners in the special "Lollipop Day" events staged at various playgrounds last week were: Salvation Army Center—most delicious looking lollipops—Shirley Drake, Carolyn North, Doug-

las Enrichen, Michael Falchetti and Linda Barnica. Most outstanding and original lollipop—Cherie Habne.

Webster—prettiest—Sherry Walker; most unusual—Lauri Tankley; most lollipop—Lauri Walker.

Parkview—Most delicious—Carla Svoboda, Denise and Linda St. Ivany and Susan Petrulich; midwest; Lisa Steele, Delores Dochwat and Joni Jean Harvey; midwest; and Ladon Gossnell Alan Schuler and Paula Schuler, juniors. Lollipop Hunt winners were Ray Barker, Woody Halbrook and Mike Paschedag.

Logan—lollipop costume winners were Carleen Robertson, Laura Robertson and Joey Blum. Marshall—best costume, Steven Grady; most unusual, Tammi Leach; and most delicious, Lena Stalecker.

Nameoki—lollipop picture contest—Grimes, midwest; Lisa Seggemeyer, midwest; and Mary Loes Fabry, juniors.

Buenger Named to SIU Alumni Board at Meet

Gail W. Buenger, 2208 Richmond avenue, has been elected to the board of directors of the Southern Illinois University Alumni Day banquet at Carbondale.

The board was expanded from 16 to 20 members. Andrew Marcos of Carbondale was installed as president to succeed Richard A. Hunsaker of Belleville.

At the banquet SIU President Delyte W. Morris called on SIU alumni to rally against signs of extreme reaction that could hurt basic freedoms important to higher education.

He said the public is confused, some people are angry about things they see at colleges. There are those who would retaliate in ways that would hurt, rather than help, processes of higher education by putting curbs on freedom of speech and freedom of listening, he said.

Morris said today's turmoil is not limited to the United States. "We can see student riots in Paris in color at the time they are happening and the police are we're living in a time when what is going on around the world is more influential than ever before on the minds of people," he said.

He told of the impact of television which has become a way of life that "carries a lot of things, including knowledge." He used as an example the instant knowledge available to the very young as well as to adults about the operation of a moon flight by watching the action on TV.

Because our universities are affected does not mean people should retaliate against these institutions and stop the freedoms of intellectual pursuit, he said.

MISS COTTER EARNS PH.D. DEGREE IN CHEMISTRY
Miss Martha A. Cotter, daughter of Mr. and Mrs. Buel Cotter, 2221 Lynch avenue, received a Ph.D. degree in chemistry at the 170th annual commencement exercises at Georgetown University, Washington, D.C.

Her dissertation, "Statistical Mechanics of Rod-Like Particles," was granted distinction, the first time in six years that the honor had been awarded by the chemistry department of the university.

After attending local grade schools and Mt. Providence high school, Normandy, Mo., Miss Cotter received her bachelor of arts degree with high honors from Southern Illinois University-Southwestern.

She was awarded a predoctoral fellowship from the National Aeronautics and Space Administration and began her graduate studies at Georgetown. Dr. Cotter plans to do postdoctoral research and then obtain a university position.

Stunting Bicyclist Falls, Skins Elbow

Eugene Holt, 1028 Alton avenue, reported to Madison police Monday that he was driving his auto slowly along 12th street between Alton and Washington avenues, several boys on bicycles rode alongside his car and began beating on the right rear fender.

Holt said one of the boys fell off his bike and skinned an elbow, but the motorist said he did not know the youth's name.

Tax Practitioners Exam Dates are Set

Applicants for the exams necessary to qualify to practice before the Internal Revenue Service can now get the application forms at the Springfield district office.

The examination will be given in the Springfield district office on Sept. 29 and 30, for tax practitioners who are not attorneys or certified public accountants.

Jay G. Philpott, district director of Internal Revenue for central and southern Illinois, emphasized that the right to represent clients in tax and other matters before IRS is limited to persons who meet the highest standards of technical proficiency and ethical conduct.

Applications, accompanied by a fee of \$25 payable to the Internal Revenue Service, should be sent by Aug. 31, to Director, Audit Division, Internal Revenue Service, Washington, D.C. 2024.

Open Letter To the General Public "Don't Gamble With Your Future"

ATTENTION: HOMEOWNERS & HOME BUYERS—
"DON'T GAMBLE WITH YOUR FUTURE." "YOU" cannot afford to trust the purchase or sale of your home (perhaps the biggest deal of your life), to anyone but a REALTOR. A REALTOR is a PROFESSIONAL BUSINESS MAN who has earned the right to be a member and who subscribes to the rigid rules and regulations of the Local, State and National Real Estate Boards of America. A REALTOR must earn his living only in the PROFESSION OF REAL ESTATE. He must maintain a full time business office (apart from his home) and he cannot employ part-time untrained salesmen or other unlicensed personnel. He cannot work or be employed part time in any other industry. A REALTOR is pledged to observe a very strict CODE OF ETHICS in the handling and servicing of every Real Estate transaction. A REALTOR is further governed by a strong PROFESSIONAL STANDARDS COMMITTEE composed of several of the most respected members within the Local Real Estate Board. This Committee has the authority to discipline, fine or dismiss any fellow member who violates the CODE OF ETHICS in business practices with the public. Further, any Homeowner or buyer may file a complaint or grievance against any Realtor for a private hearing before the PROFESSIONAL STANDARDS COMMITTEE. A REALTOR may not use false or misleading advertising. A REALTOR must not persuade, coerce or influence a client to accept a bad deal in order to make a quick and easy commission. Such deals may leave the client with very little more or impose heavy financial burdens impossible to cope with. A REALTOR is required by law and does, keep all the client's monies in a SPECIAL ESCROW BANK ACCOUNT, and is forbidden to use or co-mingle any part of these funds for personal use.

NOTE: (Records show many violations of this law.) REALTORS work and are closely associated with other Professional Men such as the best Attorneys in the area, to safeguard the client's rights to Title and Property. Again may we respectfully remind you, "DON'T GAMBLE WITH YOUR FUTURE." "CALL A REALTOR," a Professional Business Man whose office and reputation is his BADGE OF HONOR.

In Memoriam 33

In loving memory of CELESTINE GEORGE KELLY, 18 June 1901, Sadly missed by MOTHER, SISTERS, BROTHERS 33-6-19

In loving memory of GORDON B. ALEXANDER, June 19, 1908. Sadly missed by WIFE AND CHILDREN 33-6-19

In loving memory of GERALD DAY, June 21, 1908. Today recalls and memories of the loved one called to rest. Those who think of him today. Are the ones who loved him dear. When he would give to see you smile. To sit with us and talk awhile. The blow was sudden, the shock severe. To part with one we loved so dear. We wonder why you had to die. Without a chance to say goodbye. Sadly missed by MOTHER, FATHER, SISTER, BROTHER AND FAMILIES 33-6-19

In loving memory of our dear husband and father W. A. McAMISH SR., who passed away 25 years ago this day June 21, 1946. We do not forget you, nor do we think of you less. We think of you often and will try to end. But dear to our memories you are always here. Sadly missed by wife and children and all who loved him. MRS. W. A. McAMISH SR. AND FAMILIES 33-6-19

NYC In-School Work Program Starts in GC

Friday is Deadline For Fireworks Permits

Tomorrow is the last day for any group of three or more persons, residing in an unincorporated area of the county, to apply for a fireworks permit for a Fourth of July display, from the County Clerk, Eulalia Hotz at Edwardsville. The state law requires that application for a permit must be made at least 15 days prior to the display.

The Illinois laws require the display to be handled by a competent individual, designated by the chairman of the county board of supervisors. Applicants are required to list three responsible persons who would be in charge of the fireworks. Harold Landolt, county board chairman, designates one of the three to supervise the fireworks display.

The statutory provisions, relative to violations, are as follows: "Any person, firm, co-partnership, or corporation violating the provisions of this Act shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding \$100 or by imprisonment in the county jail not exceeding 90 days or by both such fine and imprisonment."

The importance of youth to our community's continued growth and advancement was cited by Granite City Mayor Donald Partney when he addressed 75 youths and supervisors Monday morning at the start of the Neighborhood Youth Corps summer employment program here.

The mayor greeted 51 young people, city officials and program leaders during an orientation session, which took place in the Fellowship Hall of Niedringhaus Memorial Methodist Church, at 10 a.m. Monday.

NYC enrollees were assigned to various tasks, met agency and department supervisors and heard remarks by Partney, John Lobos, director, and Pete Bonner, officials of the federally-sponsored in-school employment program in Madison and St. Clair counties.

The Granite City program got under way Tuesday morning.

Special guests included Police Chief Ronald Veizer, C. A. "Bud" MacMillan, Coordinated Youth Services executive director and Mrs. Lillian Douglas, CYS staff worker; Harold Brown, Granite City park district superintendent; City Treasurer E. R. "Pat" Rich; City Building Inspector Jack Fricker; Robert W. Stevens, city controller; City Clerk Homer Pendleton; Mrs. Mary Knufinke, head librarian, Granite City public library; David Morgan, director, Granite City Housing Authority; Rev. Paul Surbey, president of the Tri-

Cities Ministerial Association; gramine Officer Terry May; Robert Jackson, sewage treatment plant superintendent; and Ron Frazier, who will serve as supervisor of city beautification projects undertaken by the NYC youths.

Mayor Partney restated his interest in youth and in the community, stressing the importance of being responsible youth and responsive to situations. He promised his continued support in promoting and planning future youth work programs in Granite City.

Runs to Aug. 22
Explaining that the NYC in-school youth program will continue through Aug. 22, Lobos said the youthful employees will receive \$1.30 per hour and work a 26-hour week during the ten weeks.

A major portion of the program funds is furnished by the NYC, a project of the Bureau of Work Training Programs under the U. S. Department of Labor operating in Madison and St. Clair counties.

Additional funding assistance is being solicited from merchant's associations and business groups.

At Monday night's council meeting, the sum of \$1000 was authorized to provide equipment items necessary for the beautification project and to hire supervisory personnel. A similar amount was donated to the program last year.

Monday's orientation session by Mrs. Douglas, who is assisting Mayor Partney and NYC staff workers in coordinating the program, include the following youths:

City hall — Brenda Dockery, Judy De Winter, Brenda McClelland, Denise Stock, Janet White, Linda Wilson and Cindy Wood, under the supervision of Fricker.

City beautification program — Terry Holloway, Vernie Hulstetter, Anthony and David Hant, Kenneth Marti, Terry Motes, Roger Pace and Richard Riess.

City treatment plant — Max Ponder, Richie Serrano and Jackie Dugan.
